It was a Republican day in every sense of the word. No Democrat could have hoped to win on such a day. When the fog lifted and the sun came out early in the morning, giving birth to one of the most perfect Indian summer days that ever dawned, there was not a Democrat in the county or anywhere else who could see a gleam of hope for his ticket. The Democracy does not thrive in good weather or in prosperous times. Columbiana county and the state of Ohio never scored a more complete victory, and though the vote was not extra large, it is apparent the Republicans of the state and county did their full duty.

As usual, the News Review was the first to give the reliable returns, and until long past midnight the anxious ones with all of the party leaders made this office their headquarters, knowing that here and here alone could be furnished the first and only authentic returns to be had in the county. This paper, as has always been customary—no matter what the cost, had the only perfect system of collecting returns in this section of the state, and its contemporaries, as well as the interested ones from both parties, took their reports from the returns received at this office. Party managers at the Columbus state headquarters, at Cleveland, Toledo and even Pittsburg, kept in touch with the News Review for news from this section of Ohio, and they got it.

Up to noon of election day the vote in this city was very light, and apprehension was felt in some quarters for the success of the Republican ticket on that account. It was known that every vote that could be mustered for the untiered would be out bright and early, and the Republican party leaders in the city were the busiest lot of men imaginable during the entire afternoon. Not one of the several carriages provided by the city committee was allowed to loaf from noon until the last vote had been deposited into the ballot boxes at 6:30. The result was gratifying, since it is estimated that few men who had been recognized as Republicans were missed.

The vote in the city was normal 2,943 ballots being cast, which was heavier by a few hundred than that given for the last two years upon the occasion of state elections. Within a few minutes after the polls closed the News Review was able to bullet in the total vote as follows:

It had been expected there would be a considerable amount of scratching, and the conjecture was correct. Democratic claims all over the county predicted the defeat of Johnson for sheriff and McGarry for prosecutor,

and in some quarters the arguments availed them something, since both of these candidates were cut to some extent. The only plausible argument the Democrats could bring to bear, and that had to be worked outside of East Liverpool, was that all four of the men on the Republican ticket hailed from this city. It had the desired effect in some quarters, and the vote for both was slightly reduced.

From the early returns the opponents of Johnson for sheriff professed to take some consolation, and made the claim that Leonard, the Democratic candidate, would win. It was not long, however, until the News Review had possession of returns which made Johnson's election absolutely certain. A harder fight was probably never waged against a Republican nominee in Columbiana county, and every political game known to the profession was made to do overtime in an attempt to down the East Liverpool man. Johnson's canvass was a clean one, and is deserving of all the more credit on that account. He cannot but feel grateful to the loyal party men who stayed with him throughout the fight, and will go into the office with a clean record.

While the sheriff fight is being discussed it would not be out of place to make mention of the two biggest surprises of the day. One was the manner in which Lisbon and Center township deserted the ticket after giving all the assurances possible that the men were safe, and then how Salem called to both McGarry and Johnson. These matters could not fail to be noticed by the leaders, and much comment has been indulged in among the friends of both men. Center township had been counted on from the first for Johnson, and because the men from that locality were given credit for knowing what they were talking about, but little attention was paid to it by Johnson or his friends, they preferring to devote their time and attention to the fight.

SUSPICION OF FOUL PLAY IS RAISED BY THE WIFE

Mrs. William Bathgate Thinks Her Husband Was Pushed Beneath a Moving Train.

OFFICERS DO NOT CREDIT THIS THEORY

In the mind of Mrs. Anne Bathgate, relict of William Bathgate, the well known potter, who was run over and instantly killed at the local passenger depot early Sunday morning, did not meet his cruel fate by accident. She thinks the evidence conclusive that he was pushed under the train.

Accompanied by a friend Mrs. Bathgate appeared at the city hall this morning and to Mayor Weaver and Chief Wyman she advanced the theory of foul play. She gives her husband credit of having possessed more good sense than to have tried to board a moving train under the circumstances surrounding the supposed accident. She can not determine why he would want to return to Derry after coming to East Liverpool purposely to see her without making any attempt to reach her stopping place, and she also thinks it very strange that he should have but \$19 on his person when to her positive knowledge he had at least \$60 when he left Derry on Saturday night.

"My husband and I lived in this city for 18 years, and I don't believe there is any one in the city who could boast

of a better reputation than William. He was an honorable man, a man who always pays his debts and lived fair with the world. I think his death should be thoroughly investigated. The two men that were with him last should be arrested and made to tell all they knew about his death. I was down to see the engineer on the train that killed my husband, and he said that William must have been pushed onto the track."

Chief Wyman and the mayor gave the woman assurance that everything in their power would be done to find the true facts of the case. They discredit the theory of his death occurring other than by accident, but for the purpose of alleviating the worry of Mrs. Bathgate and also to get a complete record of the case it will be ferreted to the bottom. Chief Wyman and the police are now working on a clue which they think will result in locating some of the money that was not found on Bathgate's clothing. It is thought that some of the money was stolen, and there is a man under suspicion. He will be located probably today and a case will be made against him if possible.

SHELLING THE CITY OF PANAMA

HIGH HANDED PROCEEDING ON THE PART OF COLUMBIA.

A Government Vessel Engaged in an Act That Will Cause the United States to Protest.

Washington, November 4.—(Special.)—Consul Ehrman has advised the state department that the Colombian warship Bogota is shelling the city of Panama. Eleven Chinese are reported dead.

The United States will protest against the bombardment.

TWO KILLED IN A COLLISION

TERRIBLE FREIGHT WRECK ON TUSCARAWAS BRANCH.

Engineer Shillinger, Formerly of Wellsville, And a Fireman Killed.

A serious freight wreck, resulting in two deaths, occurred on the Tuscarawas branch of the C. & P. railroad between Canal Dover and Zoar this morning.

Engineer Shillinger, formerly of Wellsville, and his fireman were killed. The accident was due to a head-on collision in the fog, when both trains were running quite rapidly.

The crew on one engine jumped and saved themselves. Cars were piled up promiscuously.

LEANED TOO FAR OUT OF WINDOW

His Head Was Struck By a Passing Car and Death Was the Result.

Lisbon, November 4.—(Special.)—The funeral of John R. Lewis, colored, who died in the Charity hospital, Cleveland, Monday, as the result of a street car accident Saturday, will be held in the A. M. E. church in Lisbon tomorrow afternoon at 1 o'clock, Rev. B. F. Combash officiating.

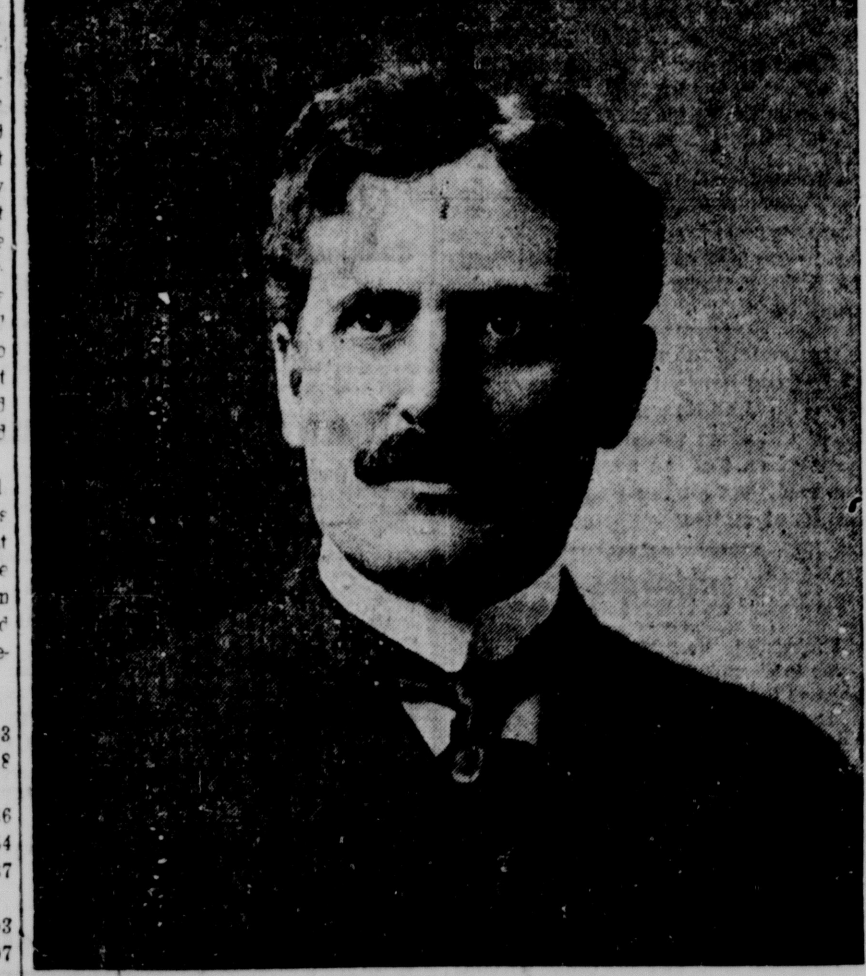

The accident which caused Lewis' death was a peculiar one. He was in a car on his way home from the Bessemer tin mills in Cleveland where he was employed as a pickler, and while leaning far out the car window, was struck by another car going in an opposite direction. He is supposed to have been taken sick suddenly in the car. Lewis lived 24 hours after the accident.

He was born at Spearville, Va., in 1874. He leaves a wife and two small children.

Licensed to Marry.

Lisbon, November 4.—(Special.)—Hiram Kelly and Miss Pearl Emma Shaster, of Salem, and James M. Trice, of Beaver Falls, and Miss Winifred Walker, of East Palestine, were granted marriage licenses.

Lisbon, November 4.—(Special.)—The Perpetual Savings & Loan company of Wellsville is plaintiff in two

HON. MARCUS A. HANNA,
Who Gets Another Term in the United States Senate.

foreclosure suits filed here. One is against H. C. and Mary Stump and the other against Lizzie S. and Henry A. Markel. In the first case the company asks judgment for \$806.20 secured by a mortgage on property fronting 120 feet on Central avenue, Wellsville, and in the second case judgment is asked for \$1,702.50 secured by a mortgage on lot 2309 in David Boyce's addition to East Liverpool. Wells & MacDonald are attorneys for the plaintiff.

A 12-Pound Boy—A bouncing 12-pound boy was born last night to Mr. and Mrs. J. W. Reitzke, of 151 Chester avenue.

A Pleasant Party.
Mr. and Mrs. Ralph Scragg and daughter, Miss May, entertained a large number of their friends at their home on Avondale street last evening. The appointments were elaborate and in perfect harmony for the pleasant occasion. During the evening the guests were entertained at progressive euchre. The Scragg home was beautifully decorated in chrysanthemums and carnations of pink and white. A fine luncheon was a feature of the entertainment, which was a social success and an enjoyable event for the large number present.

SUSPICION OF FOUL PLAY
IS RAISED BY THE WIFE

Mrs. William Bathgate Thinks Her Husband Was
Pushed Beneath a Moving
Train.

OFFICERS DO NOT CREDIT THIS THEORY

In the mind of Mrs. Anne Bathgate, relict of William Bathgate, the well known potter, who was run over and instantly killed at the local passenger depot early Sunday morning, did not meet his cruel fate by accident. She thinks the evidence conclusive that he was pushed under the train.

Accompanied by a friend Mrs. Bathgate appeared at the city hall this morning and to Mayor Weaver and Chief Wyman she advanced the theory of foul play. She gives her husband credit of having possessed more good sense than to have tried to board a moving train under the circumstances surrounding the supposed accident. She can not determine why he would want to return to Derry after coming to East Liverpool purposely to see her without making any attempt to reach her stopping place, and she also thinks it very strange that he should have but \$19 on his person when to her positive knowledge he had at least \$60 when he left Derry on Saturday night.

"My husband and I lived in this city for 18 years, and I don't believe there is any one in the city who could boast

of a better reputation than William. He was an honorable man, a man who always pays his debts and lived fair with the world. I think his death should be thoroughly investigated. The two men that were with him last should be arrested and made to tell all they knew about his death. I was down to see the engineer on the train that killed my husband, and he said that William must have been pushed onto the track."

Chief Wyman and the mayor gave the woman assurance that everything in their power would be done to find the true facts of the case. They discredit the theory of his death occurring other than by accident, but for the purpose of alleviating the worry of Mrs. Bathgate and also to get a complete record of the case it will be ferreted to the bottom. Chief Wyman and the police are now working on a clue which they think will result in locating some of the money that was not found on Bathgate's clothing. It is thought that some of the money was stolen, and there is a man under suspicion. He will be located probably today and a case will be made against him if possible.

man Killed.

A serious freight wreck, resulting in two deaths, occurred on the Tuscarawas branch of the C. & P. railroad between Canal Dover and Zoar this morning.

Engineer Shillinger, formerly of Wellsville, and his fireman were killed. The accident was due to a head-on collision in the fog, when both trains were running quite rapidly.

The crew on one engine jumped and saved themselves. Cars were piled up promiscuously.

Result.

Lisbon, November 4.—(Special.)—The funeral of John R. Lewis, colored, who died in the Charity hospital, Cleveland, Monday, as the result of a street car accident Saturday, will be held in the A. M. E. church in Lisbon tomorrow afternoon at 1 o'clock, Rev. B. F. Combash officiating.

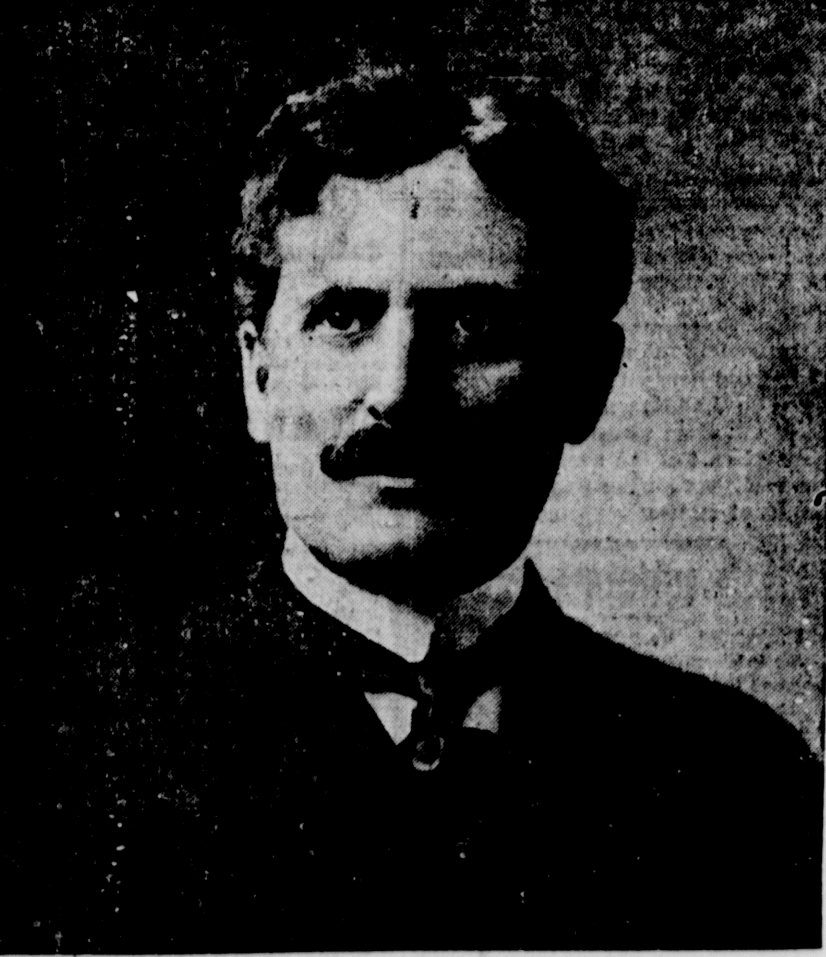

The accident which caused Lewis' death was a peculiar one. He was in a car on his way home from the Bessemer tin mills in Cleveland where he was employed as a pickler, and while leaning far out the car window, was struck by another car going in an opposite direction. He is supposed to have been taken sick suddenly in the car. Lewis lived 24 hours after the accident.

He was born at Spearville, Va., in 1874. He leaves a wife and two small children.

Licensed to Marry.

Lisbon, November 4.—(Special.)—Hiram Kelly and Miss Pearl Emma Shaster, of Salem, and James M. Trice, of Beaver Falls, and Miss Winnifred Walker, of East Palestine, were granted marriage licenses.

A GLORIOUS DAY FOR THE REPUBLICANS

It was a Republican day in every sense of the word. No Democrat could have hoped to win on such a day. When the fog lifted and the sun came out early in the morning, giving birth to one of the most perfect Indian summer days that ever dawned, there was not a Democrat in the county or anywhere else who could see a gleam of hope for his ticket. The Democracy does not thrive in good weather or in prosperous times. Columbiana county and the state of Ohio never scored a more complete victory, and though the vote was not extra large, it is apparent the Republicans of the state and county did their full duty.

As usual, the News Review was the first to give the reliable returns, and until long past midnight the anxious ones with all of the party leaders made this office their headquarters knowing that here and here alone could be furnished the first and only authentic returns to be had in the county. This paper, as has always been customary—no matter what the cost, had the only perfect system of collecting returns in this section of the state, and its contemporaries, as well as the interested ones from both parties, took their reports from the returns received at this office. Party managers at the Columbus state headquarters, at Cleveland, Toledo and even Pittsburg, kept in touch with the News Review for news from this section of Ohio, and they got it.

Up to noon of election day the vote in this city was very light, and apprehension was felt in some quarters for the success of the Republican ticket on that account. It was known that every vote that could be mustered for the untiered would be out bright and early, and the Republican party leaders in the city were the busiest lot of men imaginable during the entire afternoon. Not one of the several carriages provided by the city committee was allowed to loaf from noon until the last vote had been deposited into the ballot boxes at 6:30. The result was gratifying, since it is estimated but few men who had been recognized as Republicans were missed.

The vote in the city was normal 2,843 ballots being cast, which was heavier by a few hundred than that given for the last two years upon the occasion of state elections. Within a few minutes after the polls closed the News Review was able to bulletin the total vote as follows:

It had been expected there would be a considerable amount of scratching, and the conjecture was correct. Democratic claims all over the county predicted the defeat of Johnson for sheriff and McGarry for prosecutor,

and in some quarters the arguments availed them something, since both of these candidates were cut to some extent. The only plausible argument the Democrats could bring to bear, and that had to be worked outside of East Liverpool, was that all four of the men on the Republican ticket hailed from this city. It had the desired effect in some quarters, and the vote for both was slightly reduced.

From the early returns the opponents of Johnson for sheriff professed to take some consolation, and made the claim that Leonard, the Democratic candidate, would win. It was not long, however, until the News Review had possession of returns which made Johnson's election absolutely certain. A harder fight was probably never waged against a Republican nominee in Columbiana county, and every political game known to the profession was made to do overtime in an attempt to down the East Liverpool man. Johnson's canvass was a clean one, and is deserving of all the more credit on that account. He cannot but feel grateful to the loyal party men who stayed with him throughout the fight, and will go into the office with a clean record.

While the sheriff fight is being discussed it would not be out of place to make mention of the two biggest surprises of the day. One was the manner in which Lisbon and Center township deserted the ticket after giving all the assurances possible that the men were safe, and then how Salem rallied to both McGarry and Johnson. These matters could not fail to be noticed by the leaders, and much comment has been indulged in among the friends of both men. Center township had been counted on from the first for Johnson, and because the men from that locality were given credit for knowing what they were talking about, but little attention was paid to it by Johnson or his friends, they preferring to devote their time and atten-

tion to the fight for sheriff. The men from that locality were given credit for knowing what they were talking about, but little attention was paid to it by Johnson or his friends, they preferring to devote their time and attention to the fight for sheriff.

AS OLD AS THE PYRAMIDS

That blood poison existed among the ancients has been proven beyond question. It has been traced back thousands of years, and is as old as the Pyramids. This blighting curse has been handed down from nation to nation and from individual to individual till it has spread to all parts of the world.

Contagious blood poison, as it is called in modern times, begins with a small sore or ulcer through which the virus enters the blood. This is followed by inflammation and swelling of the glands, a red eruption breaks out on the body, sores appear in the mouth and the throat becomes ulcerated, and as the disease takes a deeper hold and the blood becomes more thoroughly infected, the hair and eyebrows drop out, the skin is spotted with copper-colored blotches, the bones and muscles ache, and it seems to the victim of this monster scourge there is not a sound spot in the whole body.

The horror of this awful disease can never be told. The one who contracts it suffers in body and mind, and if the poison is not eradicated transmits the taint to his children, and Contagious Blood Poison thus becomes responsible for many of the ills of childhood—Skin Eruptions, Catarrhal Troubles, Sore Eyes, Scap Disease, White Swelling, Scrofula and others just as bad. S. S. S., the great vegetable blood purifier and tonic, has long been recognized as a radical and safe cure for Contagious Blood Poison. It counteracts the deadly virus and cleanses and purifies the diseased blood, and under its tonic effects the general health improves and soon all signs of blood poison are gone. The strong mineral remedies, Mercury and Potash, which are so often prescribed for the disease, dry up the sores, skin eruptions at all external signs, but leave the stomach and digestion ruined and the system in such condition that the disease usually returns in worse form than ever.

S. S. S. is guaranteed a purely vegetable remedy. \$1.00 is offered for proof that it contains a single mineral ingredient. HIGH OPINION OF THIS CITY.

Leonard Grimwade, one of the best known of the English manufacturers of pottery ware, who visited this country and East Liverpool a short time ago, has given a lengthy interview to the Pottery Gazette, which contains his impressions of the industry in this country. As Mr. Grimwade is one of the best posted and most successful of the old world potters his remarks will be full of interest to people in this city, particularly to those who made his acquaintance while here. He said in part:

"East Liverpool is a busy little town of about 20,000 inhabitants, entirely built up on pottery. And they are making tremendous developments in that direction, not simply at East Liverpool, but over the whole of Ohio. It is perfectly astonishing to see the number of towns that have sprung up through the development of the pottery industry during the last 10 years. I went to one town, where, four years ago, there was not a single house; it was all prairie land. A large firm came and planked down five potteries there, and today there is what they call a 'city' of 3,000 inhabitants, all sprung up in four years. The streets are lighted up with electric lights, there are fine banks and water works, and electric cars are just being arranged for. These five potteries I have spoken of were put up in the first instance as a means of developing the land—a sort of real estate deal—rather than for the sake of manufacturing earthenware. The proprietors are five brothers, and they built five potteries—one for each. They bought the whole of the land—2,600 acres—at a price; and, of course, they are quite content to run the potteries if necessary without any profit whatever for the sake of the profit they make on the land. It's bad enough to compete against the 60 per cent tariff, but when you get this in addition it's awkward."

"It seems," he proceeded, "to be quite read into their systems, this capacity for grappling with difficulties, and by resources and ingenuity, overcoming them. One of the things which struck me more than anything else was the extent to which they can plan and scheme, and finally come out all right. They are a nation of schemers. They scheme about everything, even about the way in which they dispose of their ware. The quantity of what is called 'scheme ware' which is sold in America is perfectly astonishing. They make millions of dollars worth of it, and it is all given away. Newspapers give presents of a dinner set to anyone who gets 12 new subscribers. Stores give presents of ware to those who get increased customers. Book sellers give presents of tea sets to those who dispose of a certain number of copies of a new book. Many of the western potteries lay themselves out expressly for these 'scheme' goods, and make them on an enormous scale. I went to one pottery in Ohio where they were making 500 dinner sets a day, packing each set in a separate package, all for distribution under one 'scheme' system."

"How do you account for the energy of these Americans, has the temperature something to do with it?"
"Oh, undoubtedly there is something in the climate," was Mr. Grimwade's rejoinder. "It's quite catching. I got the infection while I was there. I felt as if I could work and tear away all through the night as well as the day, and, although I got in a tight fix once or twice, I pulled through at the end. I had three casks of samples with me, and once, when I was staying in a big city, they did not come to hand until 1 o'clock in the afternoon. I was bound to get away that same night, but it so happened I could get no one to assist me in unpacking the samples."

CHANGES AT HEADQUARTERS.

The offices of the Pottery Herald, which have been in the Golding building, Fifth and Washington streets, have been removed to the Thompson Exchange building and now occupy the room in Brotherhood headquarters, just vacated by Secretary Menge. This move was made by Business Manager Allison in order that people having business to transact with the Brotherhood officers and the official organ can find both at the same trip. The change will prove quite a convenience to patrons of the paper. President Duffy will occupy the second room on the same side of the hall and has a Bell telephone. Secretary Menge is across the hall and can be called on the Columbiana phone.

Richmond, Va., Nov. 4.—The elections in Virginia, which were for members of the assembly, have resulted in a Democratic sweep of the state. There were few contests, the field, as a rule, being left open to the Democrats. Two surprises appear, however, in the defeat of the Democratic nominees in Botetourt and Fredericksburg. The vote generally was light, being in Richmond city, for example, only about 25 per cent of the registration. A fierce fight between Democrats, one with and the other without the endorsement of the state committee for the treasurership of Henrico county, was a feature of the election, and led to a heavy vote in that county. The indications favor the election of the man without the endorsement.

Two Wonderful Cures by "Blood Wine." Are you thus Afflicted?

Fortunately I saw 'Blood Wine' advertised and purchased a bottle. I had little faith, but took the medicine faithfully. It worked wonders and in three days the diarrhoea ceased. In three weeks I had gained twenty-five pounds, and I have used 'Blood Wine' constantly since. I would not be without 'Blood Wine' at any cost, and I am perfectly honest when I tell the world that it saved my life."

Read the experience of Wm. S. Bowie, of Charlestown, Mass.:—"For a number of years, I suffered with chronic diarrhoea (any one who has had it for one day only, knows what a terrible disease it is). It sapped my strength, and changed me from a strong, healthy man to a frail, puny fellow. I would gladly have given \$500,000 for a cure. Physicians doctored me until I was almost sick of seeing them come. They did me no good. I grew worse and worse, until death stared me in the face. I was absolutely hopeless. With a great deal of prejudice I was one day talked into trying 'Blood Wine.' To my great surprise I found it helped me. I stuck to it regularly, following directions, and in time it cured me entirely. I cannot express my gratitude in the limits of a letter, but will say that I know it saved my life, and that I think it the greatest medicine in the world."

Give you a good appetite, renew life cells in young and old. Permanently restore youthful vigor and vitality. They tone up the whole system and make you feel like a new person. No remedy in the world to equal them. Take a few NERVAN TABLETS and note the wonderful effect.

ALCOHOL IN ALL LIQUID KIDNEY AND RHEUMATIC REMEDIES CONDEMNS THEM.

An ignorantly compounded remedy, containing alcohol, as nearly all kidney remedies do, will stimulate them so violently that an inflammation will be set up, and instead of being merely lazy the kidneys will become diseased. Alcohol cures the kidneys with blood and retards their activity.

There is no Alcohol in NERVAN TABLETS to interfere with the removal of all harmful sediment from the body. The Tablets soothe and heal the kidneys when they are irritated and inflamed. They cure the kidney diseases that make you dizzy, restless, sleepless and irritable; that make you pass water often during the day and night; that cause rheumatism, catarrh of the bladder, pain in the back, joints, and muscles; that make your head ache and indigestion, stomach and liver trouble, and a sallow, yellow complexion.

No matter how many other remedies you may have tried and found useless, remember the great modern remedy, NERVAN TABLETS.

AS OLD AS THE PYRAMIDS

That blood poison existed among the ancients has been proven beyond question. It has been traced back thousands of years, and is as old as the Pyramids. This blighting curse has been handed down from nation to nation and from individual to individual till it has spread to all parts of the world.

Contagious blood poison, as it is called in modern times, begins with a small sore or ulcer through which the virus enters the blood. This is followed by inflammation and swelling of the glands of the groins, a red eruption breaks out on the body, sores appear in the mouth and the throat becomes ulcerated, and as the disease takes a deeper hold and the blood becomes more thoroughly infected, the hair and eyebrows drop out, the skin is spotted with copper-colored spots, the bones and muscles ache, and it seems to the victim of this monster scourge there is not a sound spot in the whole body.

The horror of this awful disease can never be told. The one who contracts it suffers in body and mind, and if the poison is not eradicated transmits the taint to his children, and Contagious Blood Poison thus becomes responsible for many of the ills of childhood—Skin Eruptions, Catarrhal Troubles, Sore Eyes, Scalp Disease, White Swelling, Scrofula and others just as bad. S. S. S., the great vegetable blood purifier and tonic, has long been recognized as a radical and safe cure for Contagious Blood Poison. It counteracts the deadly virus and cleanses and purifies the diseased blood, and under its tonic effects the general health improves and soon all signs of blood poison are gone. The strong mineral remedies, Mercury and Potash, which are so often prescribed for the disease, dry up the sores, skin eruptions at all external signs, but leave the stomach and digestion ruined and the system in such condition that the disease usual returns in worse form than ever.

S. S. S. is guaranteed a purely vegetable remedy. \$1.00 is offered for proof that it contains a single mineral ingredient. You have blood poison write for our special book, describing the different stages and giving all the symptoms, with directions for treating one's self at home. AS OLD AS THE PYRAMIDS

That blood poison existed among the ancients has been proven beyond question. It has been traced back thousands of years, and is as old as the Pyramids. This blighting curse has been handed down from nation to nation and from individual to individual till it has spread to all parts of the world.

Contagious blood poison, as it is called in modern times, begins with a small sore or ulcer through which the virus enters the blood. This is followed by inflammation and swelling of the glands of the groins, a red eruption breaks out on the body, sores appear in the mouth and the throat becomes ulcerated, and as the disease takes a deeper hold and the blood becomes more thoroughly infected, the hair and eyebrows drop out, the skin is spotted with copper-colored blotches, the bones and muscles ache, and it seems to the victim of this monster scourge there is not a sound spot in the whole body.

The horror of this awful disease can never be told. The one who contracts it suffers in body and mind, and if the poison is not eradicated transmits the taint to his children, and Contagious Blood Poison thus becomes responsible for many of the ills of childhood—Skin Eruptions, Catarrhal Troubles, Sore Eyes, Scalp Disease, White Swelling, Scrofula and others just as bad. S. S. S., the great vegetable blood purifier and tonic, has long been recognized as a radical and safe cure for Contagious Blood Poison. It counteracts the deadly virus and cleanses and purifies the diseased blood, and under its tonic effects the general health improves and soon all signs of blood poison are gone. The strong mineral remedies, Mercury and Potash, which are so often prescribed for the disease, dry up the sores, skin eruptions at all external signs, but leave the stomach and digestion ruined and the system in such condition that the disease usually returns in worse form than ever.

S. S. S. is guaranteed a purely vegetable remedy. \$1.00 is offered for proof that it contains a single mineral ingredient. You have blood poison write for our special book, describing the different stages and giving all the symptoms, with directions for treating one's self at home. Among the Potteries and Allie Industries

HIGH OPINION OF THIS CITY.

Leonard Grimwade, one of the best known of the English manufacturers of pottery ware, who visited this country and East Liverpool a short time ago, has given a lengthy interview to the Pottery Gazette, which contains his impressions of the industry in this country. As Mr. Grimwade is one of the best posted and most successful of the old world potters his remarks will be full of interest to people in this city, particularly to those who made his acquaintance while here. He said in part:

"East Liverpool is a busy little town of about 20,000 inhabitants, entirely built up on pottery. And they are making tremendous developments in that direction, not simply at East Liverpool, but over the whole of Ohio. It is perfectly astonishing to see the number of towns that have sprung up through the development of the pottery industry during the last 10 years. I went to one town, where, four years ago, there was not a single house; it was all prairie land. A large firm came and planked down five potteries there, and today there is what they call a 'city' of 3,000 inhabitants, all sprung up in four years. The streets are lighted up with electric lights, there are fine banks and water works, and electric cars are just being arranged for. These five potteries I have spoken of were put up in the first instance as a means of developing the land—a sort of real estate deal—rather than for the sake of manufacturing earthenware. The proprietors are five brothers, and they built five potteries—one for each. They bought the whole of the land—2,600 acres—at prairie price; and, of course, they are quite content to run the potteries if necessary without any profit whatever for the sake of the profit they make on the land. It's bad enough to compete against the 60 per cent tariff, but when you get this in addition it's awkward."

"It seems," he proceeded, "to be quite read into their systems, this capacity for grappling with difficulties, and by resources and ingenuity, overcoming them. One of the things which struck me more than anything else was the extent to which they can plan and scheme, and finally come out all right. They are a nation of schemers. They scheme about everything, even about the way in which they dispose of their ware. The quantity of what is called 'scheme ware' which is sold in America is perfectly astonishing. They make millions of dollars worth of it, and it is all given away. News-papers give presents of a dinner set to any one who gets 12 new subscribers. Stores give presents of ware to those who get increased customers. Book sellers give presents of tea sets to those who dispose of a certain number of copies of a new book. Many of the western potteries lay themselves out expressly for these 'scheme' goods, and make them on an enormous scale. I went to one pottery in Ohio where they were making 500 dinner sets a day, packing each set in a separate package, all for distribution under one 'scheme' system."

"How do you account for the energy of these Americans, has the temperature something to do with it?" "Oh, undoubtedly there is something in the climate," was Mr. Grimwade's rejoinder. "It's quite catching. I got the infection while I was there. I felt as if I could work and tear away all through the night as well as the day, and, although I got in a tight fix once or twice, I pulled through at the end. I had three cases of samples with me, and once, when I was staying in a big city, they did not come to hand until I o'clock in the afternoon. I was bound to get away that same night, but it so happened I could get no one to assist me in unpacking the samples."

CHANGES AT HEADQUARTERS.

The offices of the Pottery Herald, which have been in the Golding building, Fifth and Washington streets, have been removed to the Thompson Exchange building and now occupy the room in Brotherhood headquarters, just vacated by Secretary Menge. This move was made by Business Manager Allison in order that people having business to transact with the Brotherhood officers and the official organ can find both at the same trip. The change will prove quite a convenience to patrons of the paper. President Duffy will occupy the second room on the same side of the hall and has a Bell telephone. Secretary Menge is across the hall and can be called on the Columbiana phone.

It is the only way that a confusion of prices can be avoided. This is the plan suggested by First Vice President Hutchins.

A POTTER CANDIDATE.

Patrick H. Collins, for over 20 years a resident of the Eighth ward, Trenton, was the candidate of the Democrats of that ward for freeholder. Mr. Collins is a pottery turned by trade and has worked successfully at that business for over 25 years. He is employed at the Eagle pottery. Mr. Collins is 48 years old and came to Trenton at the age of 11 years. He is a prominent member of the turners' union.

Omaha, Nov. 4.—The defeat of John J. Sullivan, Democratic candidate for the supreme bench, by John B. Barnes, Republican, is conceded. The majority will be between 4,500 and 5,000. Sullivan carried this city by 1,200, but this majority was wiped out in the state. The entire state ticket is elected by majorities ranging from 5,000 to 6,000 in favor of the Republican candidates.

VIRGINIA

Richmond, Va., Nov. 4.—The elections in Virginia, which were for members of the assembly, have resulted in a Democratic sweep of the state. There were few contests, the field, as a rule, being left open to the Democrats. Two surprises appear, however, in the defeat of the Democratic nominees in Botetourt and Frederickburg. The vote generally was light, being in Richmond city, for example, only about 25 per cent of the registration.

A fierce fight between Democrats, one with and the other without the endorsement of the state committee for the treasurer'ship of Henrico county, was a feature of the election, and led to a heavy vote in that county. The indications favor the election of the man without the endorsement.

Stomach Trouble

Two Wonderful Cures by "Blood Wine." Are you thus Afflicted?

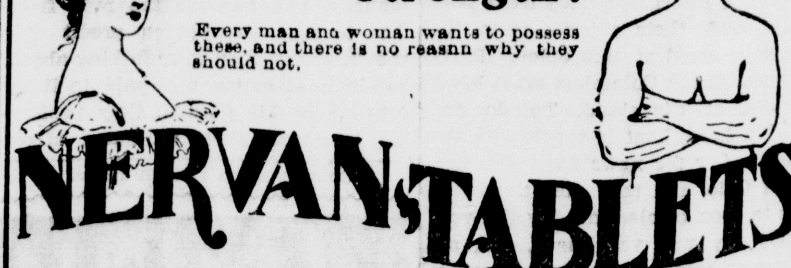

Fortunately I saw 'Blood Wine' advertised and purchased a bottle. I had little faith, but took the medicine faithfully. It worked wonders and in three days the diarrhoea ceased. In three weeks I had gained twenty-five pounds, and I have used 'Blood Wine' constantly since. I would not be without 'Blood Wine' at any cost, and I am perfectly honest when I tell the world that it saved my life."

Read the experience of Wm. S. Bowles, of Charlestown, Mass.:—"For a number of years I suffered with chronic diarrhoea (any one who has had it for one day only, knows what a terrible disease it is). It sapped my strength, and changed me from a strong, healthy man to a frail, puny fellow. I would gladly have given \$500,000 for a cure. Physicians doctored me until I was almost sick of seeing them come. They did me no good. I grew worse and worse, until death stared me in the face. I was absolutely hopeless. With a great deal of prejudice I was one day talked into trying 'Blood Wine.' To my great surprise I found it helped me. I stuck to it regularly, following directions, and in time it cured me entirely. I cannot express my gratitude in the limits of a letter, but will say that I know it saved my life, and that I think it the greatest medicine in the world."

ALCOHOL IN ALL LIQUID KIDNEY AND RHEUMATIC REMEDIES CONDEMNS THEM.

An ignorantly compounded remedy, containing alcohol, as nearly all kidney remedies do, will stimulate them so violently that an inflammation will be set up, and instead of being merely lazy the kidneys will become diseased. Alcohol clogs the kidneys with blood and retards their activity.

There is no Alcohol in Nerve Tablets to interfere with the removal of all harmful matter from the body. The Tablets soothe and heal the kidneys when they are irritated and inflamed. They cure the kidney diseases that make you dizzy, restless, sleepless and irritable; that make you pass water often during the day and night; that cause rheumatism, catarrh of the bladder, pain in the back, joints and muscles; that make your head ache and indigestion, stomach and liver trouble, and a sallow, yellow complexion.

No matter how many other remedies you may have tried and found useless, remember the great modern remedy, Nerve Tablets.

EAST END TEMPERANCE SOCIETY HAS BEEN ORGNIZED

Welcome Division No. 8, Sons of Temperance, Formed at the Union Meeting Last Night.

As a result of the union meeting held at the Second Presbyterian church last night, Welcome Division No. 8, Sons of Temperance, was organized with 25 charter members. Prof. Burton L. Lockwood, of Indianapolis, and Will D. Blair, of Philadelphia, representatives of the national organization, who held meetings Monday night and last night, are very much pleased at the result.

The church was well filled last night and the evening was greatly enjoyed with a singing and speaking service. Professor Lockwood talked very entertainingly and Professor Blair's vocal selections were well received. The names of 25 persons as charter members of the division were soon secured and all were initiated. It was decided to leave the charter open until December 31, and it is expected that by that time the membership will be increased to nearly 100.

The following officers were elected and installed: W. P. Ernest, Lester Harper; W. A. Mrs. J. Frank Flowers; R. S. Miss Ethel McCain; A. R. S. Miss Lida Farrer; F. S. Miss Leona Aumiller; Treas., Jennie Hunter; Chaplain, Mrs. John Grant; Conductor, Marvin Fellows; Asst. Conductor, Minnie Gertrude Barnhart; I. S. Bertha Grant; O. S. John Isett; P. W. P., appointed, T. W. McCain.

The next meeting will be held to-morrow night at the residence of T. W. McCain.

MIDWAY COMPANY HAS A SECOND ADDITION

Tract of Land Being Plotted and Will Be Offered to the Public Soon.

The Midway Land company, composed of well known East Liverpool people, will offer its second addition to the city as soon as Engineer George and his assistants have finished the work of plotting the tract. They have been at work now for some time and will finish within a week or ten days. The tract lies adjacent to the first tract of the company and the lots will be very desirable.

The western boundary of the tract is the old William Price homestead and it extends to Clay street on the east. There will be 30 lots, 16 of which front on Pennsylvania avenue and 14 on the line of the proposed street railway to the East End. The sale price of the lots has not been fixed.

The Midway company had great success with its first addition and already a number of commodious dwellings have been erected upon the lots sold. The lots in the second addition should find ready sale. Two new streets, names for which have not been selected, will be necessary.

Series of Special Meetings.
Elder Ira C. Moore, of Barracksville, W. Va., a noted worker in the Church of Christ, will hold a series of evangelistic meetings in Larkins' hall commencing tomorrow night. Several prominent people of the East End, who are adherents of this faith, have secured the services of the elder for the meetings, with the object of establishing a congregation. If successful, an edifice will be erected.

Myron T. Herrick Defeats Tom L. Johnson in Gubernatorial Race.

HANNA'S RE-ELECTION ASSURED

Chairman Dick, of Republican State Committee, Says Herrick's Plurality Will Exceed Any Ever Given—Interest in Cuyahoga.

Columbus, Nov. 4.—The Republicans broke their record in Ohio in pluralities for governor, by electing Myron T. Herrick (Rep.) over Mayor Tom L. Johnson (Dem.) by considerably over 100,000. The plurality on joint ballot of over 100 in the legislature for the re-election of Senator Hanna more than doubles any previous record.

On account of the vote on five constitutional amendments, the counting was delayed all over Ohio, and when returns were received they could not be compared with those of any previous state election, as the 71 municipalities, with 5,000 population or over, had been redistricted under a new municipal code that went into effect this year, and changed the voting precincts in those reorganized municipalities. Almost all the returns received were from the cities on which the usual rate of gains or losses could not be definitely determined, but most of them made such Republican gains over their vote of last April, with which comparisons could be made, as to indicate that the drift was with the Republicans in the towns even greater than in the rural districts.

Largest Plurality on Record.

Ohio has exceeded 100,000 plurality only twice. In 1863 John Brough, Republican, was elected governor of Ohio by 101,098, when his Democratic opponent, Clement L. Vallindigham, was an exile in Canada and the soldiers were voting outside the state.

The only other time when the plurality exceeded 100,000 in Ohio was in 1894, for secretary of state.

The scenes at the city hall, where Chairman Dick Secretary Malley and others received returns, were at times wild as the bulletins announced the election of Republican members of the legislature from such close and Democratic counties as Hocking, Knox, Ross, Paulding, Preble, Muskingum and Williams. John H. Clarke, the Democratic opponent of Hanna for senator, but recently removed from Youngstown, Mahoning county, and when the returns showed that the Republicans had elected both members of the legislature from Mahoning county, there was a great demonstration, as there was when it was announced that the Johnson-Jones faction at Toledo had failed by the largest plurality ever known in Lucas county.

Herrick Carries Cuyahoga.

The greatest demonstrations were over the announcement from Cleveland that the Republicans had carried Cuyahoga county, the home of Hanna, Clarke, Herrick and Johnson, by a decisive plurality. It is believed that the Republicans have carried three-fourths of the 88 counties of the state.

Chairman Dick announced that the Herrick plurality for governor would exceed 125,000 and that there would be over 100 of the 143 votes in the legislature for the re-election of Senator Hanna. It is thought that the Republican majority in the legislature on joint ballot will exceed 75, or double that of any previous legislature.

Cincinnati, Nov. 4.—Complete returns from the city of Cincinnati give Herrick, 44,149; Johnson, 17,335, a plurality for Herrick of 26,814, making a Republican gain of over 11,000. The entire Republican ticket of Hamilton county is elected, including three senators and 10 representatives. The Republicans carried every one of the 24 wards of the city.

Cleveland, Nov. 4.—At 2 o'clock this morning only 100 of the 200 precincts in the city of Cleveland had been figured out. These show that Herrick (Rep.), for governor, has 14,695, against Johnson (Dem.), 15,652. The total vote in the city will not be known until well on in the day.

Columbus, Nov. 4.—The Republicans carried this city by the unprecedented plurality of 4,500 and Franklin county by 3,800 for governor; also electing four Republican representatives. This senatorial district, composed of Franklin and Pickaway counties, and usually Democratic, elected two Republican state senators.

Norwalk, Nov. 4.—This city gave Herrick (Rep.), for governor, 1,120; Johnson, 639. Last year Laylin (Rep.) for secretary of state, had 1,006; Bigelow (Dem.), 574.

Steubenville, O., Nov. 4.—Capel L. Weems, Republican candidate for congress in the Sixteenth district, was elected by 5,000 majority.

Youngstown, Nov. 4.—Twenty-four out of 30 precincts in the city give Herrick 3,169; Johnson, 2,450, indicating that Herrick has carried the city by over 1,000 plurality.

Cincinnati, Herrick (Rep.) has a gain of 8,493 over last year, indicating a plurality of 35,000.

Cleveland, Nov. 4.—The Leader (Rep.) claims Cuyahoga county will give Herrick (Rep.) a plurality of 4,000.

Canton, Nov. 4.—The Republicans carry Canton by about 2,000; Stark county by 3,500 to 4,000. All Republican candidates for legislature are elected.

Kent, Nov. 4.—Republicans carry Kent by a gain of 279. Portage county re-elects W. H. Crafts to the legislature and the entire Republican county ticket.

Wooster, Nov. 4.—Returns from larger portion of precincts of Wayne county show that Johnson carried the county by about 500. Democrats elected their county ticket by a majority ranging from 200 to 800. Many voters in the rural districts did not go to the polls. Houk (Dem.), for state senator, was elected in the Seventeenth and Twenty-eighth districts.

Youngstown, Nov. 4.—Youngstown

PENNSYLVANIA

Philadelphia, Nov. 4.—Estimates from the 67 counties of the state indicate a plurality for Mathews (Rep.), for state treasurer, of 217,784. Snyder, for auditor general, and Morrison and Henderson, for superior court, were given approximately the same immense plurality. Snyder, who became the object of criticism because as a state senator he voted for what is popularly known as the "press muzzle" law, was apparently cut very little. The returns indicate Republican gains in 49 counties amounting to 71,000 and Democratic gains in the remaining 18 counties of 5,825.

It is apparent from the nature of the estimates received during the night that the official count will increase the Republican plurality to such an extent that it may reach 225,000.

Strike May Be Called.

Indianapolis, Nov. 4.—According to a decision arrived at by President John Mitchell, Vice President Thomas Lewis and Secretary William B. Wilson, of the United Mine Workers, the strike of the coal miners in district 21, embracing Colorado, New Mexico, Wyoming and Utah, will be called on Nov. 9, unless the differences between the operators and miners can be adjusted by conference before that time.

Welcome Division No. 8, Sons of Temperance, Formed at the Union Meeting Last Night.

As a result of the union meeting held at the Second Presbyterian church last night, Welcome Division No. 8, Sons of Temperance, was organized with 25 charter members. Prof. Burton L. Lockwood, of Indianapolis, and Will D. Blair, of Philadelphia, representatives of the national organization, who held meetings Monday night and last night, are very much pleased at the result.

The church was well filled last night and the evening was greatly enjoyed with a singing and speaking service. Professor Lockwood talked very entertainingly and Professor Blair's vocal selections were well received. The names of 25 persons as charter members of the division were soon secured and all were initiated. It was decided to leave the charter open until December 31, and it is expected that by that time the membership will be increased to nearly 100.

The following officers were elected and installed: W. P. Ernest Lester Harper; W. A. Mrs. J. Frank Flowers; R. S. Miss Ethel McCain; A. R. S. Miss Lida Farrer; F. S. Miss Leona Aumiller; Treas., Jennie Hunter; Chaplain, Mrs. John Grant; Conductor, Marvin Fellows; Asst. Conductor, Minnie Gertrude Barnhart; I. S. Bertha Grant; O. S. John Isett; P. W. P., appointed, T. W. McCain.

The next meeting will be held to-morrow night at the residence of T. W. McCain.

MIDWAY COMPANY HAS A SECOND ADDITION

Tract of Land Being Plotted and Will Be Offered to the Public Soon.

The Midway Land company, composed of well known East Liverpool people, will offer its second addition to the city as soon as Engineer George and his assistants have finished the work of plotting the tract. They have been at work now for some time and will finish within a week or ten days. The tract lies adjacent to the first tract of the company and the lots will be very desirable.

The western boundary of the tract is the old William Price homestead and it extends to Clay street on the east. There will be 30 lots, 16 of which front on Pennsylvania avenue and 14 on the line of the proposed street railway to the East End. The sale price of the lots has not been fixed.

The Midway company had great success with its first addition and already a number of commodious dwellings have been erected upon the lots sold. The lots in the second addition should find ready sale. Two new streets, names for which have not been selected, will be necessary.

Series of Special Meetings.

Elder Ira C. Moore, of Barracksville, W. Va., a noted worker in the Church of Christ, will hold a series of evangelistic meetings in Larkins' hall commencing tomorrow night. Several prominent people of the East End, who are adherents of this faith, have secured the services of the elder for the meetings, with the object of establishing a congregation. If successful, an edifice will be erected.

Kicked By a Horse.

THE BUCKEYE STATE

Myron T. Herrick Defeats Tom L. Johnson in Gubernatorial Race.

HANNA'S RE-ELECTION ASSURED

Chairman Dick, of Republican State Committee, Says Herrick's Plurality Will Exceed Any Ever Given—Interest in Cuyahoga.

Columbus, Nov. 4.—The Republicans broke their record in Ohio in pluralities for governor, by electing Myron T. Herrick (Rep.) over Mayor Tom L. Johnson (Dem.) by considerably over 100,000. The plurality on joint ballot of over 100 in the legislature for the re-election of Senator Hanna more than doubles any previous record.

On account of the vote on five constitutional amendments, the counting was delayed all over Ohio, and when returns were received they could not be compared with those of any previous state election, as the 71 municipalities, with 5,000 population or over, had been redistricted under a new municipal code that went into effect this year, and changed the voting precincts in those reorganized municipalities. Almost all the returns received were from the cities on which the usual rate of gains or losses could not be definitely determined, but most of them made such Republican gains over their vote of last April, with which comparisons could be made, as to indicate that the drift was with the Republicans in the towns even greater than in the rural districts.

Largest Plurality on Record.

Ohio has exceeded 100,000 plurality only twice. In 1863 John Brough, Republican, was elected governor of Ohio by 101,098, when his Democratic opponent, Clement L. Vallindigham, was an exile in Canada and the soldiers were voting outside the state.

The only other time when the plurality exceeded 100,000 in Ohio was in 1894, for secretary of state.

The scenes at the city hall, where Chairman Dick Secretary Malley and others received returns, were at times wild as the bulletins announced the election of Republican members of the legislature from such close and Democratic counties as Rockingdon, Coshocton, Knox, Ross, Paul, Preble, Muskingum and Williams. John H. Clarke, the Democratic opponent of Hanna for senator, but recently removed from Youngstown, Mahoning county, and when the returns showed that the Republicans had elected both members of the legislature from Mahoning county, there was a great demonstration, as there was when it was announced that the Johnson-Jones faction at Toledo had failed by the largest plurality ever known in Lucas county.

Herrick Carries Cuyahoga.

The greatest demonstrations were over the announcement from Cleveland that the Republicans had carried Cuyahoga county, the home of Hanna, Clarke, Herrick and Johnson, by a decisive plurality. It is believed that the Republicans have carried three-fourths of the 88 counties of the state.

Chairman Dick announced that the Herrick plurality for governor would exceed 125,000 and that there would be over 100 of the 143 votes in the legislature for the re-election of Senator Hanna. It is thought that the Republican majority in the legislature on joint ballot will exceed 75, or double that of any previous legislature.

Cincinnati, Nov. 4.—Complete returns from the city of Cincinnati give Herrick, 44,149; Johnson, 17,335, a plurality for Herrick of 26,814, making a Republican gain of over 11,000. The entire Republican ticket of Hamilton county is elected, including three senators and 10 representatives. The Republicans carried every one of the 24 wards of the city.

Cleveland, Nov. 4.—At 2 o'clock this morning only 190 of the 200 precincts in the city of Cleveland had been figured out. These show that Herrick (Rep.), for governor, has 14,695, against Johnson (Dem.), 15,652. The total vote in the city will not be known until well on in the day.

Columbus, Nov. 4.—The Republicans carried this city by the unprecedented plurality of 4,500 and Franklin county by 3,800 for governor; also electing four Republican representatives. This senatorial district, composed of Franklin and Pickaway counties, and usually Democratic, elected two Republican state senators.

Norwalk, Nov. 4.—This city gave Herrick (Rep.), for governor, 1,120; Johnson, 639. Last year Laylin (Rep.) for secretary of state, had 1,006; Bigelow (Dem.), 574.

Steubenville, O., Nov. 4.—Capel L. Weems, Republican candidate for congress in the Sixteenth district, was elected by 5,000 majority.

Youngstown, Nov. 4.—Twenty-four out of 30 precincts in the city give Herrick 3,169; Johnson, 2,450, indicating that Herrick has carried the city by over 1,000 plurality.

Chairman Dick announced that the Herrick plurality for governor would exceed 125,000 and that there would be over 100 of the 143 votes in the legislature for the re-election of Senator Hanna. It is thought that the Republican majority in the legislature on joint ballot will exceed 75, or double that of any previous legislature.

Cincinnati, Nov. 4.—Complete returns from the city of Cincinnati give Herrick, 44,149; Johnson, 17,335, a plurality for Herrick of 26,814, making a Republican gain of over 11,000. The entire Republican ticket of Hamilton county is elected, including three senators and 10 representatives. The Republicans carried every one of the 24 wards of the city.

Cleveland, Nov. 4.—At 2 o'clock this morning only 100 of the 200 precincts in the city of Cleveland had been figured out. These show that Herrick (Rep.), for governor, has 14,695, against Johnson (Dem.), 15,652. The total vote in the city will not be known until well on in the day.

Columbus, Nov. 4.—The Republicans carried this city by the unprecedented plurality of 4,500 and Franklin county by 3,800 for governor; also electing four Republican representatives. This senatorial district, composed of Franklin and Pickaway counties, and usually Democratic, elected two Republican state senators.

Norwalk, Nov. 4.—This city gave Herrick (Rep.), for governor, 1,120; Johnson, 639. Last year Laylin (Rep.) for secretary of state, had 1,006; Bigelow (Dem.), 574.

Steubenville, O., Nov. 4.—Capel L. Weems, Republican candidate for congress in the Sixteenth district, was elected by 5,000 majority.

Youngstown, Nov. 4.—Twenty-four out of 30 precincts in the city give Herrick 3,169; Johnson, 2,450, indicating that Herrick has carried the city by over 1,000 plurality.

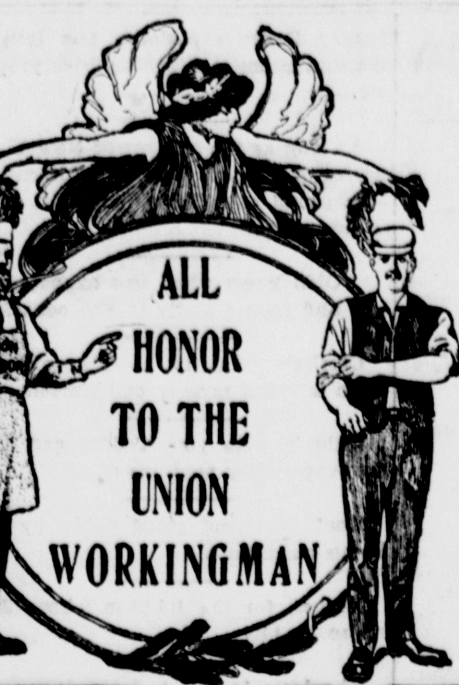

Cincinnati, Nov. 4.—With only 38 precincts to hear from out of 229 in

Cincinnati, Herrick (Rep.) has a gain of 8,493 over last year, indicating a plurality of 35,000.

Cleveland, Nov. 4.—The Leader (Rep.) claims Cuyahoga county will give Herrick (Rep.) a plurality of 4,000.

Canton, Nov. 4.—The Republicans carry Canton by about 2,000; Stark county by 2,500 to 4,000. All Republican candidates for legislature are elected.

Kent, Nov. 4.—Republicans carry Kent by a gain of 279. Portage county re-elects W. H. Craftus to the legislature and the entire Republican county ticket.

Wooster, Nov. 4.—Returns from larger portion of precincts of Wayne county show that Johnson carried the county by about 500. Democrats elected their county ticket by a majority ranging from 200 to 800. Many voters in the rural districts did not go to the polls. Houk (Dem.), for state senator, was elected in the Seventeenth and Twenty-eighth districts.

Youngstown, Nov. 4.—Youngstown

complete gives Herrick (Rep.), for governor, 4,375; Johnson, 3,209.

PENNSYLVANIA

Philadelphia, Nov. 4.—Estimates from the 67 counties of the state indicate a plurality for Mathews (Rep.), for state treasurer, of 217,784. Snyder, for auditor general, and Morrison and Henderson, for superior court, were given approximately the same immense plurality. Snyder, who became the object of criticism because as a state senator he voted for what is popularly known as the "press muzzle" law, was apparently cut very little. The returns indicate Republican gains in 49 counties amounting to 71,000 and Democratic gains in the remaining 18 counties of 5,825.

It is apparent from the nature of the estimates received during the night that the official count will increase the Republican plurality to such an extent that it may reach 225,000.

Strike May Be Called.

Indianapolis, Nov. 4.—According to a decision arrived at by President John Mitchell, Vice President Thomas Lewis and Secretary William B. Wilson, of the United Mine Workers, the strike of the coal miners in district 21, embracing Colorado, New Mexico, Wyoming and Utah, will be called on Nov. 9, unless the differences between the operators and miners can be adjusted by conference before that time.

WEDNESDAY, NOVEMBER 4, 1903.

A MAGNIFICENT RESULT.

Ohio has gone Republican by a majority which surpassed the most sanguine expectations of the political leaders of that party; Johnsonism is given a crushing defeat and stunning rebuke, and the state has shown its loyalty to the national administration and reaffirmed its confidence in the policy of protection. More than this, the re-election of Senator Hanna to the United States senate, where he has been perhaps more useful to his state and the country than any other man in public life today, is assured, and the intrepid Theodore Roosevelt is given an endorsement that would go far toward landing him in the presidential chair for another term, even if conditions were different and he were not the sole candidate whose success all Republicans are striving to achieve.

Still further, the constitutional amendments advocated and endorsed by the Republicans are undoubtedly carried. One of them gives the governor the veto power, safe-guarding the people against enactment of vicious legislation; another abolishes the double liability of stockholders in industrial and business corporations—a rule that has done more than any other to encourage Ohio men to make important business investments in other states than their own. A third amendment gives to each county at least one representative in the legislature, extending the home rule principle and establishing a rule that will result in every county being represented by men commanding popular support and confidence and doing away with the bickering, bitterness and compromise heretofore inseparable from nominating conventions.

Ohio has done nobly. Her verdict emphasizes anew the intelligence and sound judgment of her people.

Bryan devoted too little time to campaigning. Had he put forth more effort outside of Ohio, results would have been more satisfactory to Republicans.

The Buckeye State is no longer in the doubtful column, even in an off-

year. Bitter experience has taught the unwisdom of following false prophets.

As long as the citizens of New York prefer a corrupt city administration to a sound one, they will find it easy to secure it.

Ohio knew what was expected of her and rose grandly to the occasion.

Clarke's calamity howl seems to have terrified nobody but himself.

Ohio is with you, Teddy, and will to even better next year.

East Liverpool stood nobly by the home candidates.

Hurrah for the Johnson whose first name is Alf!

The Iowa idea is to let well enough alone.

The feudists again captured Kentucky.

OBITUARY

Frank Pepin.

Frank Pepin, aged 67 years, died at his home in the West End at 11 o'clock last night, after a lingering illness. The funeral services will be held at the late residence at 2 o'clock Friday afternoon. Mr. Pepin spent almost his entire life in this city and was known to almost every resident. By occupation he was an interior decorator and his work could not be excelled. Many of the homes in this city contain specimens of it that have withstood the test of many years. His father was Gustave Pepin, a well remembered jeweler, who served as mayor of the city. The father was a plain and drill master of the Lincoln Wideawakes in the year 1860 and the son was a member of the company. When the call came for volunteers Mr. Pepin enlisted and served throughout the war with credit. He was a member of company K, Third Infantry. Three sons, Charles, George and Fred, all of this city, survive him.

Miss Sarah Allender.

Word was received today by friends in this city that Miss Sarah Allender, aged about 70 years, had died at Los Angeles, Cal. The arrangements for her funeral were not known today. Miss Allender was a life-long resident of this city, leaving here for California some months ago, hoping to benefit her health. She was a member of the Maccabees here. One sister, Julia, of Sallineville, survives her.

The Hall Funeral.

The funeral services of the late Mrs. Mary Hall will be held tomorrow afternoon at 2 o'clock at Union chapel, Pleasant Heights. Rev. David Jones, of the Methodist Protestant church, will officiate and the interment will be made in Spring Grove cemetery.

Golf Champion Marries Pittsburg.

Chicago, Nov. 4.—Miss Beattie Anthony, the golf champion, was married at Evanston to Bernard Shea Horne, of Pittsburg. The ceremony, which was held in the First Presbyterian church, was attended by over 1,000 invited guests. The bride, who has been widely known for a number of years as an expert golfer, won both the western and national women's golf championship this year.

Reduced Both Hours and Wages.

Reading, Nov. 4.—The Reading company issued an order that track repairmen and other employees of the road-way department will hereafter work but nine hours a day, and that a reduction of 1 1/2 cents an hour would be made in their wages. The loss of the hour and the reduction will make a difference of 28 1/2 cents a day in their pay. They were getting \$1.50 a day.

tion to points that were thought to be in doubt. Salem was one of these, and when it is known that the Center township people were more responsible than anyone else for this doubtful feeling, the situation is most peculiar. Johnson lost out in Lisbon and had a nice balance to his credit in Salem, which town he had been cautioned against.

In East Liverpool the result was a foregone conclusion, and the entire ticket received the usual support, each candidate being given the usual safe majorities. There was some scratching here at home, and this conspired to prevent the several precincts from making an early return. The smaller voting places were first to be reported on, and from that time until nearly 1 o'clock they came straggling in, the last precinct being the first of the Second ward. Here considerable scratching was noted and the election officers were detained several hours longer than usual.

Some confusion was caused at the first precinct of the Second ward when two men by the name of Crawford made their appearance at the polling place, both expecting to be qualified as an election officer. S. W. Crawford, of the Democratic central committee, was elected as judge in the first precinct of the First ward. The election judges in some manner made a mistake and sent his credentials to W. S. Crawford and the latter appeared to serve as a judge at the precinct in the parlors of the Thompson house. As he carried his credentials he was sworn in. He is a Prohibitionist.

Democrat Crawford also appeared and as he was known to be a judge he was also sworn in and throughout the day the five judges looked after the election. When it came time to sign the books, however, an understanding had to be reached as only four judges from the dominant parties are allowed to sign. It was then discovered that the Prohibitionist had received the credentials of the Democrat of almost the same name. The former then retired without any objection and the others proceeded to count the ballots. Taken altogether, the election was very quiet, and its result most gratifying to the Republicans of East Liverpool and Columbiana county.

AT THE THEATER

"The Counterfeiters," presented by the Irene Myers Stock company at the Grand last evening, was an excellent play, well played. Miss Myers won new laurels by her clever impersonation of the newsboy and was well supported by her capable company. The specialties are new and captivating and the company will do a great business all the week. Tonight, "Man to Man," a great play.

Agnes Herndon, the star in a "Life's Mistake," has been before the public for a number of years, during which she has been exploited in a number of stellar roles, and always with the best of financial returns, and after all that is the best proof of popular favor. Miss Herndon is a woman of remarkable personality on the stage. She dominates a scene, and is most thoroughly wrapped up in her chosen field of work. At the Grand Wednesday evening, November 11.

THE BOND MONEY IS SADLY NEEDED

Yet No One Is Able to Tell When It Will Be Ready For Use.

CAUSE OF UNCERTAINTY

Form of Bonds Not Satisfactory to the Purchasers—Are Returned for Amendment—Uneasiness Among City Financiers.

When will the \$93,000 worth of bonds be sold? If there is a person in the whole city who can answer the question he cannot be located. City Auditor Davidson expresses total ignorance on the subject, the councilmen are no better off and the members of the tax commission only say that they have a promise without any real assurance.

The bonds were submitted according to a form made by Auditor Davidson to Attorney Lones, at Wellsville, who is retained by William McCullough, and they were on Monday returned to the tax commission. Attorney Lones apprised the board of the fact that the form was not satisfactory and asked that it be changed. The commission states that a letter received from Attorney Lones is very peculiar, but if he is really sincere, things look a little like the bonds may go in a few days, maybe before the end of the week. This, however, the commission is not positive of, and alarm is being felt among those who have had anything to do with the bonds.

That the money is needed, and badly, too, is undoubtedly a fact. There are certain debts that the city must pay in a short time and unless it does there will be a number of suits brought, or some action just as effective. There are people in the city who have done work and are sorely in need of the money. They have been very patient up to the present time, but now show a tendency to revolt against such treatment.

While those outside of the city's employes are worrying over their money, the latter are not in any better shape notwithstanding that they do not have to depend altogether on the sale of the bonds. The police and firemen are behind for considerably over two months, the street employees nearly two months and all of the rest have at least a pay of two months due them. Until this week there was no general protest filed by any of the departments, but if something is not done to provide the men with their money something will be done before many days.

Golf Champion Marries Pittsburg.

Chicago, Nov. 4.—Miss Bessie Anthony, the golf champion, was married at Evanston to Bernard Shea Horne, of Pittsburg. The ceremony, which was held in the First Presbyterian church, was attended by over 1,000 invited guests. The bride, who has been widely known for a number of years as an expert golfer, won both the western and national women's golf championship this year.

Reduced Both Hours and Wages.

Reading, Nov. 4.—The Reading company issued an order that track repairmen and other employees of the road-way department will hereafter work but nine hours a day, and that a reduction of 1½ cents an hour would be made in their wages. The loss of the hour and the reduction will make a difference of 28½ cents a day in their pay. They were getting \$1.50 a day.

tion to points that were thought to be in doubt. Salem was one of these, and when it is known that the Center township people were more responsible than anyone else for this doubtful feeling, the situation is most peculiar. Johnson lost out in Lisbon and had a nice balance to his credit in Salem, which town he had been cautioned against.

In East Liverpool the result was a foregone conclusion, and the entire ticket received the usual support, each candidate being given the usual safe majorities. There was some scratching here at home, and this conspired to prevent the several precincts from making an early return. The smaller voting places were first to be reported on, and from that time until nearly 1 o'clock they came straggling in, the last precinct being the first of the Second ward. Here considerable scratching was noted and the election officers were detained several hours longer than usual.

Some confusion was caused at the first precinct of the Second ward when two men by the name of Crawford made their appearance at the polling place, both expecting to be qualified as an election officer. S. W. Crawford, of the Democratic central committee, was elected as judge in the first precinct of the First ward. The election judges in some manner made a mistake and sent his credentials to W. S. Crawford and the latter appeared to serve as a judge at the precinct in the parlors of the Thompson house. As he carried his credentials he was sworn in. He is a Prohibitionist.

Democrat Crawford also appeared and as he was known to be a judge he was also sworn in and throughout the day the five judges looked after the election. When it came time to sign the books, however, an understanding had to be reached as only four judges from the dominant parties are allowed to sign. It was then discovered that the Prohibitionist had received the credentials of the Democrat of almost the same name. The former then retired without any objection and the others proceeded to count the ballots.

Taken altogether, the election was very quiet, and its result most gratifying to the Republicans of East Liverpool and Columbiana county.

AT THE THEATER

"The Counterfeiters," presented by the Irene Myers Stock company at the Grand last evening, was an excellent play, well played. Miss Myers won new laurels by her clever impersonation of the newsboy and was well supported by her capable company. The specialties are new and captivating and the company will do a great business all the week. Tonight, "Man to Man," a great play.

Agnes Herndon, the star in a "Life's Mistake," has been before the public for a number of years, during which she has been exploited in a number of stellar roles, and always with the best of financial returns, and after all that is the best proof of popular favor. Miss Herndon is a woman of remarkable personality on the stage. She dominates a scene, and is most thoroughly wrapped up in her chosen field of work. At the Grand Wednesday evening, November 11.

THE BOND MONEY IS SADLY NEEDED

Yet No One Is Able to Tell When It Will Be Ready For Use.

CAUSE OF UNCERTAINTY

Form of Bonds Not Satisfactory to the Purchasers—Are Returned for Amendment—Uneasiness Among City Financiers.

When will the \$93,000 worth of bonds be sold? If there is a person in the whole city who can answer the question he cannot be located. City Auditor Davidson expresses total ignorance on the subject, the councilmen are no better off and the members of the tax commission only say that they have a promise without any real assurance.

The bonds were submitted according to a form made by Auditor Davidson to Attorney Lones, at Wellsville, who is retained by William McCullough, and they were on Monday returned to the tax commission. Attorney Lones apprised the board of the fact that the form was not satisfactory and asked that it be changed. The commission states that a letter received from Attorney Lones is very peculiar, but if he is really sincere, things look a little like the bonds may go in a few days, maybe before the end of the week. This, however, the commission is not positive of, and alarm is being felt among those who have had anything to do with the bonds.

That the money is needed, and badly, too, is undoubtedly a fact. There are certain debts that the city must pay in a short time and unless it does there will be a number of suits brought, or some action just as effective. There are people in the city who have done work and are sorely in need of the money. They have been very patient up to the present time, but now show a tendency to revolt against such treatment.

While those outside of the city's employees are worrying over their money, the latter are not in any better shape notwithstanding that they do not have to depend altogether on the sale of the bonds. The police and firemen are behind for considerably over two months, the street employees nearly two months and all of the rest have at least a pay of two months due them. Until this week there was no general protest filed by any of the departments, but if something is not done to provide the men with their money something will be done before many days.

A Scientific Discovery.

Kodol Dyspepsia Cure does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol Dyspepsia Cure supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol Dyspepsia Cure digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Sold by Alvin H. Bulger (only).

GOLDEN WEDDING
OF THE WALKERS

Joyous Celebration at the Home of an Aged Couple of Pine Grove Ridge.

Mr. and Mrs. Harry Walker celebrated the 50th anniversary of their wedding at their home on Pine Grove Ridge yesterday. Over 150 relatives and friends of the aged couple assembled to do them honor. Three generations of the family were present. Five sons and two daughters are now living. Howard and Seward Walker, of Toronto; Harry, George and William at home; Mrs. Castner, of Paris, Pa., and Mrs. John Custer, a widow, of Pine Ridge. They were married in 1853 on the old homestead and have always resided on the same place where their marriage occurred 50 years ago.

The children presented the old couple with \$50 in gold, and they were the recipients of many valuable and handsome gifts from other friends. After the ceremony, two large tables were spread on the lawn and edibles in variety partaken of. Pictures of the entire group were then taken by a photographer present.

Among those who attended were Mr. and Mrs. J. M. Moore, of Wellsville, and Mrs. Isabella Martin, of Pine Grove, Mrs. Moore and Mrs. Martin being the only two cousins and relatives now living of the aged wife, Mrs. Henry Walker.

Mr. and Mrs. Walker are still quite hale and hearty and bid fair to live many years yet and enjoy the comforts of life as they are in good circumstances.

Use Mi-o-na At Will Reed's Risk. Builds Up Flesh and Makes People Well.

Will Reed wants every reader of the News Review who has been losing flesh or who has always been too thin, to test Mi-o-na, the flesh-forming food, for a month at his risk. Those who try this treatment will not risk a penny in making the trial.

Will Reed will supply a regular 50c box and sign a guarantee to refund the money if the preparation does not increase flesh, give freedom from stomach troubles and restore health and strength.

If Mi-o-na succeeds you have gained flesh and health at a trifling cost. If it fails, Will Reed will return your money and pay for the treatment himself.

The great and unusual success of Mi-o-na, is on account of its acting in an entirely different way from all other known medicines. It mingles with the food you eat, aids its assimilation, tones up and strengthens the digestive organs, and puts the whole system into proper physical condition. It cures indigestion in any form and restores health and action to the whole digestive tract. It will cure nearly every case of poor health.

Just take one Mi-o-na tablet after each meal," says Will Reed, "and in a few days you will find digestion improved, health returned and solid flesh added."

This simple treatment fills out with natural flesh, all the outlines of the face and body so that they become beautiful and symmetrical.

Go to Will Reed and get a month's Mi-o-na treatment at his risk.

This is the most useful agent in allaying pain—We have a fine assortment of Hot Water Bottles.

THE OLD RELIABLE

Absolutely Pure
THERE IS NO SUBSTITUTE

er, they discovered the body of a colored man lying in the creek, near the Hollow Rock camp meeting ground. They drove back to the camp and notified Mr. Jackson, keeper of the camp ground, who in turn notified Township Trustee Robert Glenn, Coroner Campbell, of Steubenville, was then summoned and arrived last evening and went out to the scene.

Coroner Campbell says this was the fourth body he held an inquest on yesterday. Three Austrians were run down by a train at Callaghan's Crossing below Steubenville earlier in the morning. For the past month the coroner has been going almost day and night holding inquests.

"The colored man found had been wandering about the camp," says Mr. Jackson, "and had been drinking heavily, and also acted very queerly." It is supposed he died from alcoholism. He was fairly well dressed, having a good coat pants and shoes, with no vest or hat and a clean pink shirt. The body was partially lying in the water of the creek when first seen by Mr. and Mrs. Moore. Coroner Campbell will have the body brought either to Wellsville or taken to Steubenville, in all probability the former, and the remains if not claimed, will be taken to Steubenville and interred in the potter's field.

Soap Company Incorporated.
The Combination Soap company, capitalized at \$5,000, was incorporated last week. Incorporators: C. P. Leonard, D. S. Robertson, J. C. Nicholson, George W. Adams, G. R. McGregor, and two Pittsburgh capitalists. Officers: C. R. McGregor, president; John Nicholson, secretary and treasurer; Daniel Robertson, general manager. The company will increase the facilities of its plant located in the rear of Third street, near the ice plant, and place the soap on the market throughout the country.

Taken to His Home.
Adam Roth, of Steubenville, who fell from a telephone pole at Lisbon some time ago, and has since been confined in a hospital there from his injuries, was taken home to Steubenville yesterday by County Infirmary Directors A. J. Ault and James Stark, of Jefferson county. He is still suffering greatly from his injuries. He was brought to Wellsville by hack and taken by train home.

New Turn Table.
The Pennsylvania company is putting in a large new commodious turntable at the round house. The table is 12 feet longer than the old one, and will have many new modern improvements for turning engines by steam power. The table will be large enough to turn any engine now working on the Pennsylvania lines. A large force of workmen started the excavating work yesterday.

Work Resumed.
Ten or 15 teams arrived at Yellow Creek yesterday in charge of John Watson to again take up work on the undergrade crossing of the C. & P. below the depot. The force has been laid off for some time on account of

the curtailment of operating expenses last month by the Pennsylvania company.

Promotions at the Shops.
John Blue has been promoted to a new clerical position in the master mechanic's department in the C. & P. shops. Daniel Fitzgerald has been promoted from a clerk in the car shop to a position recently created in the master mechanic's office, virtually assistant master mechanic.

Putting in Electric Machinery.

On one of them he has a cataract, and another is forming on the other eye. Mr. Champney is a great reader, and sadly feels the failing of his eyes.

TAKEN FROM JAIL AND LYNCHED

Negro Kills White Man During Row and Wounds Several Others.

Lake Village, Ark., Nov. 4.—Two people are dead and three wounded as the result of trouble between whites and blacks, which was not settled until a lynching had quieted the excited people.

The dead: Frank Johnson, white Lake Village, killed in fight; Henry Johnson, a negro, lynched.

Wounded: M. Vinson, white, a lawyer of Little Rock; Joseph Frame, white, of Lake Village; Ella McDowell, colored.

A row occurred between some negroes and whites. It is claimed that during the altercation Ed Coleman, colored, pulled a pistol and began shooting. A fusillade followed, and when it ceased it was found that Frank Anderson, one of those in the crowd, was dead.

Vinson was shot in two places. Joseph Frame wounded in the foot, and Ella McDowell, colored, shot in the back. Coleman fled and a posse at once started in pursuit. Johnson, one of the negroes in the crowd, was arrested and placed in jail.

Excitement ran high among the people. At noon the court house bell sounded and most of the white citizens assembled. Sledge hammers and railroad iron were quickly found and in 30 minutes the doors of the jail had been broken down. The mob quickly secured the negro, took him to the center of the town and hanged him.

Attempted Assassination.

Lexington, Ky., Nov. 4.—Twelve shots were fired at Captain R. J. Ewen, the star witness in the feud cases recently tried in Breathitt county, as he passed along Walnut street. The shots were fired from a blind alley. One went through his hat and another through the lapel of his coat, but none of them touched him. He was walking along with Judge W. H. Mann, at whose home he is staying, and the judge had just crossed the alley in front of Ewen when the firing began.

"Stoker Mayor" Triumphs.

Bridgeport, Conn., Nov. 4.—Mayor Dennis Mulvihill, known as the "Stoker Mayor," was carried in a triumphal procession during the celebration of his re-election. With him practically the entire Democratic ticket was carried into office. Mulvihill defeated George E. Hill, the Republican candidate, by 2,162 votes in the greatest poll in the city's history.

Democratic Mayor Elected.

Salt Lake, Nov. 4.—Incomplete returns from three precincts show heavy Democratic gains and indicate the election of Norris (Dem.) for mayor. The vote was very heavy, with much scratching and returns will be late.

AN ATHLETIC CLUB

Soon to Be Formed as a Physical Culture Measure for Chester School Children.

If the plans of Prof. Miller, Richard Barfield and others do not fail, an athletic club will soon be formed among the Chester school children. The movement was inaugurated by Prof. Miller, who interested others and it is thought the scheme will work admirably. A petition asking residents of Chester to subscribe for the maintenance of the club has been in circulation for a couple of days and has been received with favor on every hand.

The object of the club will be to install in the children a desire to keep themselves in perfect physical condition. The basement under the school house will be fitted up for the gymnasium and it will make nice quarters.

REVOLUTION RAGING

Independence Proclaimed in Panama and Government Officers Imprisoned.

WARSHIPS ORDERED TO SCENE

American Interests Will Be Protected—Instructions Cabled Consulate at Panama and Colon—Situation Regarded as Serious.

Panama, Colombia, Nov. 4.—The independence of the isthmus has been proclaimed. A large and enthusiastic crowd of all political parties assembled and marched to the headquarters of the government troops, where Generals Tovar and Amaya were imprisoned in the name of the republic of Panama. The enthusiasm was immense and at least 3,000 of the men in the gathering were armed.

Washington, Nov. 4.—Sensational advice were received from the isthmus of Panama to the effect that a revolution was in progress and that independence had been proclaimed. President Roosevelt sent for Secretary Hay, Acting Secretary of the Navy, chief of the bureau of navigation, to come to the White house, where, after a conference lasting nearly two hours, orders were dispatched to the Dixie and the Atlanta, on the Atlantic, and to the Boston, on the Pacific coast, to proceed with all possible speed to isthmian waters to aid the Nashville in protecting American interests and maintaining a free transit across the isthmus in accordance with the treaty of 1846.

Orders also were sent to Rear Admiral Glass, commanding the Pacific squadron, at Acapulco, to coal immediately and hold itself in readiness to proceed on a moment's notice to Panama. When the Baltimore reaches San Domingo orders will be cabled her to go to the isthmus if the situation demands her presence. The rejection of the Panama canal treaty is generally supposed to be the moving cause of the revolution, but no official information on this subject was obtainable.

To the Associated Press, after the conference, the statement was authorized that the sole purpose of the dispatch of the vessels was the protection of American interests; and the

maintenance of open transit on the isthmus. The most explicit instructions were cabled to the American consuls at Panama and Colon, and to the commander of the Dixie, who will be in charge of the vessels on the Atlantic side, to direct all their movements with this end in view.

The further statement was authorized that the state department regards the situation as serious, but that the arrival of the Nashville and the immediate dispatch of the other vessels insures the protection of American interests.

San Francisco Re-elects Mayor. San Francisco, Nov. 4.—Tuesday's election brought out a heavy vote, one of the largest in years where the issues were purely of a local character. The incomplete returns indicate that Eugene E. Schmitz, the Union Labor party candidate, has been re-elected Mayor, with Charles Crocker, Republican, a fairly close second. The earlier returns were largely in favor of Schmitz, but when the Republican strongholds began to report the lead of the labor man dwindled to such an extent that the Crocker people took heart. Positive assertions on the result cannot be given until further semi-official returns are received. The count in many districts has been proceeding more slowly than usual. Lane, the Democratic candidate, is a lame third in the race. It is very probable that the Democrats have elected the assessor, sheriff and district attorney.

GOLDEN WEDDING
OF THE WALKERS

Joyous Celebration at the Home of An
Aged Couple of Pine
Grove Ridge.

Mr. and Mrs. Harry Walker celebrated the 50th anniversary of their wedding at their homestead on Pine Grove Ridge yesterday. Over 150 relatives and friends of the aged couple assembled to do them honor. Three generations of the family were present. Five sons and two daughters are now living. Howard and Seward Walker, of Toronto; Harry, George and William at home; Mrs. Castner, of Paris, Pa., and Mrs. John Custer, a widow, of Pine Ridge. They were married in 1853 on the old homestead and have always resided on the same place where their marriage occurred 50 years ago.

The children presented the old couple with \$50 in gold, and they were the recipients of many valuable and handsome gifts from other friends.

After the ceremony, two large tables were spread on the lawn and edibles in variety partaken of. Pictures of the entire group were then taken by a photographer present.

Among those who attended were Mr. and Mrs. J. M. Moore, of Wellsville, and Mrs. Isabella Martin, of Pine Grove, Mrs. Moore and Mrs. Martin being the only two cousins and relatives now living of the aged wife, Mrs. Henry Walker.

Mr. and Mrs. Walker are still quite hale and hearty and bid fair to live many years yet and enjoy the comforts of life as they are in good circumstances.

Use Mi-na At Will Reed's Risk.
Builds Up Flesh and Makes
People Well.

Will Reed wants every reader of the News Review who has been losing flesh or who has always been too thin, to test Mi-na, the flesh-forming food, for a month at his risk. Those who try this treatment will not risk a penny in making the trial.

Will Reed will supply a regular 50c box and sign a guarantee to refund the money if the preparation does not increase flesh, give freedom from stomach troubles and restore health and strength.

If Mi-na succeeds you have gained flesh and health at a trifling cost. If it fails, Will Reed will return your money and pay for the treatment himself.

The great and unusual success of Mi-na, is on account of its acting in an entirely different way from all other known medicines. It mingles with the food you eat, aids its assimilation, tones up and strengthens the digestive organs, and puts the whole system into proper physical condition. It cures indigestion in any form and restores health and action to the whole digestive tract. It will cure nearly every case of poor health.

"Just take one Mi-na tablet after each meal," says Will Reed, "and in a few days you will find digestion improved, health returned and solid flesh added."

This simple treatment fills out with natural flesh, all the outlines of the face and body so that they become beautiful and symmetrical. Go to Will Reed and get a month's Mi-na treatment at his risk.

er, they discovered the body of a colored man lying in the creek, near the Hollow Rock camp meeting ground. They drove back to the camp and notified Mr. Jackson, keeper of the camp ground, who in turn notified Township Trustee Robert Glenn. Coroner Campbell, of Steubenville, was then summoned and arrived last evening and went out to the scene.

Coroner Campbell says this was the fourth body he held an inquest on yesterday. Three Austrians were run down by a train at Callaghan's Crossing below Steubenville earlier in the morning. For the past month the coroner has been going almost day and night holding inquests.

"The colored man found had been wandering about the camp," says Mr. Jackson, "and had been drinking heavily, and also acted very queerly." It is supposed he died from alcoholism. He was fairly well dressed, having a good coat pants and shoes, with no vest or hat and a clean pink shirt. The body was partially lying in the water of the creek when first seen by Mr. and Mrs. Moore. Coroner Campbell will have the body brought either to Wellsville or taken to Steubenville, in all probability the former, and the remains if not claimed, will be taken to Steubenville and interred in the potter's field.

Soap Company Incorporated.

The Combination Soap company, capitalized at \$5,000, was incorporated last week. Incorporators: C. P. Leonard, D. S. Robertson, J. C. Nicholson, George W. Adams, G. R. McGregor and two Pittsburgh capitalists. Officers: C. R. McGregor, president; John Nicholson, secretary and treasurer; Daniel Robertson, general manager. The company will increase the facilities of its plant located in the rear of Third street, near the ice plant, and place the soap on the market throughout the county.

Taken to His Home.

Adam Roth, of Steubenville, who fell from a telephone pole at Lisbon some time ago, and has since been confined in a hospital there from his injuries, was taken home to Steubenville yesterday by County Infirmary Directors A. J. Ault and James Stark, of Jefferson county. He is still suffering greatly from his injuries. He was brought to Wellsville by hack and taken by train home.

New Turn Table.

The Pennsylvania company is putting in a large new commodious turntable at the round house. The table is 12 feet longer than the old one, and will have many new modern improvements for turning engines by steam power. The table will be large enough to turn any engine now working on the Pennsylvania lines. A large force of workmen started the excavating work yesterday.

Work Resumed.

Ten or 15 teams arrived at Yellow Creek yesterday in charge of John Watson to again take up work on the undergrade crossing of the C. & P. below the depot. The force has been laid off for some time on account of

the curtailment of operating expenses last month by the Pennsylvania company.

Promotions at the Shops.

John Blue has been promoted to a new clerical position in the master mechanic's department in the C. & P. shops. Daniel Fitzgerald has been promoted from a clerk in the car shop to a position recently created in the master mechanic's office, virtually assistant master mechanic.

Putting in Electric Machinery.

The Irondale Coal company is putting in a complete electrical coal mining outfit. The machinery and boilers are being erected, and within a few weeks the company will be putting coal upon the market. Irondale is assuming more than ordinary importance as a coal mining center.

On one of them he has a cataract, and another is forming on the other eye. Mr. Champney is a great reader, and sadly feels the failing of his eyes.

TAKEN FROM JAIL AND LYNCHED

Negro Kills White Man Daring Row and Wounds Several Others.

Lake Village, Ark., Nov. 4.—Two people are dead and three wounded as the result of trouble between whites and blacks, which was not settled until a lynching had quieted the excited people.

The dead: Frank Johnson, white, Lake Village, killed in fight; Henry Johnson, a negro, lynched.

Wounded: W. Vinson, white, a lawyer of Little Rock; Joseph Frame, white, of Lake Village; Ella McDowell, colored.

A row occurred between some negroes and whites. It is claimed that during the altercation Ed Coleman, colored, pulled a pistol and began shooting. A fusillade followed, and when it ceased it was found that Frank Anderson, one of those in the crowd, was dead.

Vinson was shot in two places. Joseph Frame wounded in the foot, and Ella McDowell, colored, shot in the back. Coleman fled and a posse at once started in pursuit. Johnson, one of the negroes in the crowd, was arrested and placed in jail.

Excitement ran high among the people. At noon the court house bell sounded and most of the white citizens assembled. Sledge hammers and railroad iron were quickly found and in 30 minutes the doors of the jail had been broken down. The mob quickly secured the negro, took him to the center of the town and hanged him.

Attempted Assassination.

Lexington, Ky., Nov. 4.—Twelve shots were fired at Captain R. J. Ewen, the star witness in the feud cases recently tried in Breathitt county, as he passed along Walnut street. The shots were fired from a blind alley. One went through his hat and another through the lapel of his coat, but none of them touched him. He was walking along with Judge W. H. Mann, at whose home he is staying and the judge had just crossed the alley in front of Ewen when the firing began.

"Stoker Mayor" Triumphs.

Bridgeport, Conn., Nov. 4.—Mayor Dennis Mulvihill, known as the "Stoker Mayor," was carried in a triumphal procession during the celebration of his re-election. With him practically the entire Democratic ticket was carried into office. Mulvihill defeated George E. Hill, the Republican candidate, by 2,162 votes in the greatest poll in the city's history.

Democratic Mayor Elected.

Salt Lake, Nov. 4.—Incomplete returns from three precincts show heavy Democratic gains and indicate the election of Norris (Dem.) for mayor. The vote was very heavy, with much scratching and returns will be late.

AN ATHLETIC CLUB

Soon to Be Formed as a Physical Culture Measure for Chester School Children.

If the plans of Prof. Miller, Richard Barfield and others do not fail, an athletic club will soon be formed among the Chester school children. The movement was inaugurated by Prof. Miller, who interested others and it is thought the scheme will work admirably. A petition asking residents of Chester to subscribe for the maintenance of the club has been in circulation for a couple of days and has been received with favor on every hand.

The object of the club will be to install in the children a desire to keep themselves in perfect physical condition. The basement under the school house will be fitted up for the gymnasium and it will make nice quarters.

REALM OF SPORTS

TORONTO LOST
A ROUGH GAME

West End Rovers Scored Three Touchdowns By Hard Play.

LOCAL BOYS PLAYED WELL

Toronto Was Strong Behind the Line, But Showed a Lack of Practice And Fumbles Were Frequent—Three Failures on Goal Kicks.

In a rough and tumble game, marked by fierce playing, the Rovers gave Toronto a good drubbing at the West End park yesterday afternoon. But it took hard playing to do it as Toronto was heavy behind the line and bucked hard when in possession of the ball. There were frequent charges of slugging against the visitors and some of the spectators wanted to get back at them for it. Big Biddle, the fullback, was the principal offender, but he finally lost his nerve.

The Rovers were not in the best of shape for the struggle, as they were still feeling the effects of last Saturday's contest with Sebring. Cartwright was sore and the hard work he had to do in the first half had him nearly done up. Robbins eased up on him when he took McAvoy's place at quarter in the second half. "Carty" played a great game, working either the center or the ends for nice gains. Hardy played better at defensive. His tackling of those heavy backs was one and he downed them several times for losses. The Rovers had the greatest difficulty gaining through the tackles, center and either of the ends being much stronger in the second half, when Hughes went in as left tackle and Burgess to left guard. Robbins, who succeeded McAvoy at quarter, worked trick plays, end runs and quarterback runs successfully. Hughes played superbly at left tackle. Lem Harvey showed his ability on end. In defensive play he was back at the halves before they could start with the ball. He knows how to tackle low and always gets his man.

Yingst was certainly the star for the visitors, and though his end was run several times he could not be blamed, as the man with the ball usually had strong interference. Yingst played hard and made some very pretty plays. Biddle was no good at fullback and the halves were only fair. All showed a lack of practice.

The Rovers were outwitted again, but won because they were faster and better understood the fine points of the game. Many of the spectators on account of the superior size of the visitors picked them to win. They might have scored in the second half had they fumbled less.

First Half.

Toronto won the toss and defended the west goal. Biddle bucking off to McDevitt on the 30-yard line. The ball was fumbled on the first down, but the Rovers recovered it. Hardy held Dufcan for no gain and on the next scrimmage Toronto fumbled to the Rovers. Cartwright took a shot at center and gained two yards, then run left end for 10. He carried again on a center buck for 1 yard and Hardy followed with a 10-yard run through right tackle. Harvey tried it around right end for 2½ and Hardy went 6 more on a silent signal. F. Coleman run left end for 4 yards on a silent signal. Jones carried 12 yards, but lost the ball. McBee carried for 6 yards through left tackle and Biddle failed through center. McKee gained again, 4 yards through left tackle. F. F. Coleman had his ankle hurt and went out, Burgess going in. Rovers' ball on downs. Cartwright run left

end for 5 yards and Hardy made a small gain through right tackle. Cartwright got away from the bunch and made a fine run of 30 yards around right end. Cartwright went 6 more through right tackle and through center for 3. Jones made 7 and Hardy 2 through right tackle. Cartwright was out for a while after getting a hard fall in a center buck. Hardy hit his favorite spot, right tackle, for 5 yards and carried again through center. The ball was at the goal line and Cartwright was carried over through center for the first touchdown. Time was called for the half as Cartwright failed on a hard goal kick.

Second Half.
The Rovers scored twice in the second half. Hughes went in at left tackle, Robbins at quarter and the other players resumed their regular positions. Hardy kicked off and Toronto fumbled to Cartwright on their 25-yard line. Cartwright hit center for 7 yards and circled left end for 17. Hardy hurried through for the second touchdown. Hardy failed to kick goal.

Biddle kicked to Cartwright, who carried to center field. Robbins cleverly worked a quarterback run for 16 yards, circling left end. Tyson carried for 2½ yards and Harvey skirted left end for 5 more. Robbins had a good start on another quarterback run, but fell down after a gain of 15 yards. Cartwright center bucked for 4 and then Robbins called the famous Jethro play. Every member of the team participates and it was worked for a 7-yard gain. Another screw play netted 1 yard. Yingst nailed Robbins for no gain on another quarterback run, but Cartwright carried 10 through center. Hardy hit left tackle for 3 and Cartwright made 3 through center. Robbins tried "Jethro" again, but it didn't work and Yingst threw Hardy for a loss on an end run. Toronto's ball on downs. Harvey, Hughes and Hardy did some great tackling in the succeeding plays. McKee got through on a look and dangerous, but "Doggie" Robbins nailed him after he had gained 15 yards. Biddle sent Yingst to fullback. Harvey nailed Duke, and Hardy threw McKee for a loss. Yingst hit center for 2 and punted to save losses on downs. It was the Rovers' ball on Toronto's 50-yard line. Godwin was given the ball on the next play and he cleared left end for a fine run to the goal line. Hardy failed again on the goal kick and the final score was 15 to 0.

The lineups:

Rovers—F. Coleman, Godwin, left end; Johnston, Hughes, left tackle; McDevitt, Burgess, left guard; Amos, center; Harvey, right end; Godwin, right tackle; J. Hester, right guard; Jones, Hardy, left half; Hardy, J. Coleman, right half; McAvoy, Robbins, quarter; Cartwright, fullback.
Toronto—Heckathorn, left end; Prosser, left tackle; Carstensen, left guard; McFarland, center; Yingst, right end; Montgomery, right tackle; Rane, Snowden, right guard; McKee, left half; Duncan, right half; Duke, quarterback; Biddle, fullback.

Touchdowns—Cartwright, Hardy and Godwin.

Time of halves—20 minutes.

Umpire—Baker.

Referee—Paisley.

Visitors Were Outplayed and Victory Came Easily to the Local Five.

With loud huzzahs of admiration for the clever work of the East Liverpool basket ball players, 500 happy fans filed out of the pavilion at Rock Springs park last night, after the opening game of the season. The belief that this year's team would prove as fast as last year's five was realized and the season is full of promise. The home boys and this tells the story last night, easily outclassing Freedom.

The opening of the season was most auspicious and Manager Gallimore and the players are more than pleased. A look over the audience proved that the very best people of the city are interested in the sport and will attend the games for an evening of enjoyment. The big dancing pavilion, which has been made snug for the winter, provides an excellent floor, although it was a little too smooth for perfect foot work. Nearly 1,000 people can be accommodated and the

seating arrangement gives all an unobstructed view of the floor.

Freedom was not fast enough for the home boys and this tells the story of the defeat. The visitors were outplayed both as to interference and throwing from the field. They had but two field goals, which tells the story of the fast game played by the locals. The ball was seldom near East Liverpool's basket, except for foul throws and most of the battle took place around Freedom's basket. All five of the local players put up a brilliant game and if there was any distinguished feature William Powell should be mentioned for two difficult field goals:

The score:
East Liverpool—

Allison, rf 3 field goals
Floor 6
Powell, lf 2 goals
Rigby, c 2 goals
Watkins, rg 3 goals
Chadwick, lg 0
Foul goals—Chadwick 4, Rigby 3.
Total, 27 points.

Freedom—

West, rf 1 goal
Kelly, lf 0
Maloney, c 1 goal
Bane, rf 0
Goettman, lg 7 fouls
Total, 11 points.

Time of halves—20 minutes.

Officials—"Dim" Zang and George Mohr.

Another Game Saturday.

The East End Tigers claim the score of their foot ball game with the Diamond Indians on Saturday should have been 6 to 0 in favor of the Tigers, instead of 0 to 0, as the other reported.

The Tigers also claim a similar score over a colored team, which failed to show up. The East End Tigers will play the Brewery Tigers at Columbian park Saturday.

SPORTING MISCELLANY.

"Babe" Way, who was reported killed in a foot ball game at Bethany recently, by a Sunday newspaper, has turned up safe and sound at his home in Martin's Ferry.

Lawrence Lutz, who had been in Toledo for several weeks training for a fight with Ed Murphy, a boxer of considerable note in that vicinity, won his bout in the last half of the second round.

"Lefty" Jackson, the clever Pittsburg boy who twirled for the Warren (O.) team during the past season, is in demand. Since the close of the base ball season he has been swamped with offers from independent and minor league teams. He has signed with Hion.

A movement is on foot among a number of Wheeling sports and admir-

ers of the manly art to hold pugilistic contests at the Bridgeport opera house during the coming winter. Correspondence is now being held with Curly Supple, of Buffalo, and Eddie Kennedy, of Allegheny, to appear there.

A Good Name.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. They cure biliousness, torpid liver, jaundice, sick headache, constipation, etc. They do not purge and weaken, but cleanse and strengthen. Sold by Alvin H. Bulger (only).

Skull Crushed in Election Argument.

Go Prepared.

In preparing for your summer outing a little forethought may save you no end of trouble. Mr. John H. Manly, a dry goods merchant, of Belleville, Ill., while packing an outfit for camping a few weeks on Narragansett Bay, put in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy for emergency use. The second day in camp his little boy was taken with cramp colic. The first dose of this remedy gave relief and the second dose effected a cure. Think of the pain and suffering this boy would have had to endure without this remedy at hand to relieve him. Such cases often result fatally. For sale by Alvin H. Bulger.

TORONTO LOST
A ROUGH GAME

West End Rovers Scored Three Touchdowns By Hard Play.

LOCAL BOYS PLAYED WELL

Toronto Was Strong Behind the Line, But Showed a Lack of Practice And Fumbles Were Frequent—Three Failures on Goal Kicks.

In a rough and tumble game, marked by fierce playing, the Rovers gave Toronto a good drubbing at the West End park yesterday afternoon. But it took hard playing to do it as Toronto was heavy behind the line and bucked hard when in possession of the ball. There were frequent charges of slugging against the visitors and some of the spectators wanted to get back at them for it. Big Biddle, the fullback, was the principal offender, but he finally lost his nerve.

The Rovers were not in the best of shape for the struggle, as they were still feeling the effects of last Saturday's contest with Sebring. Cartwright was sore and the hard work he had to do in the first half had him nearly done up. Robbins eased up on him when he took McAvoy's place at quarter in the second half. "Carty" played a great game, working either the center or the ends for nice gains. Hardy played better at defensive. His tackling of those heavy backs was one and he downed them several times for losses. The Rovers had the greatest difficulty gaining through the tackles, center and either of the ends being much easier. The Rovers were much stronger in the second half, when Hughes went in as left tackle and Burgess to left guard. Robbins, who succeeded McAvoy at quarter, worked trick plays, end runs and quarterback runs successfully. Hughes played superbly at left tackle. Lem Harvey showed his ability on end. In defensive play he was back at the halves before they could start with the ball. He knows how to tackle low and always gets his man.

Yingst was certainly the star for the visitors, and though his end was run several times he could not be blamed, as the man with the ball usually had strong interference. Yingst played hard and made some very pretty plays. Biddle was no good at fullback and the halves were only fair, all showed a lack of practice.

The Rovers were outweighed again, but won because they were faster and better understood the fine points of the game. Many of the spectators on account of the superior size of the visitors picked them to win. They might have scored in the second half had they fumbled less.

First Half.

Toronto won the toss and defended the west goal. Biddle bucking off to McDevitt on the 30-yard line. The ball was fumbled on the first down, but the Rovers recovered it. Hardy held Dufcan for no gain and on the next scrimmage Toronto fumbled to the Rovers. Cartwright took a shot at center and gained two yards, then run left end for 10. He carried again on a center buck for 1 yard and Hardy followed with a 10-yard run through right tackle. Harvey tried it around right end for 2½ and Hardy went 6 more on a silent signal. F. Coleman run left end for 4 yards on a silent signal. Jones carried 12 yards, but lost the ball. McKee carried for 6 yards through left tackle and Biddle failed through center. McKee gained again, 4 yards through left tackle. F. F. Coleman had his ankle hurt and went out, Burgess going in. Rovers' ball on downs. Cartwright run left

end for 5 yards and Hardy made a small gain through right tackle. Cartwright got away from the bunch and made a fine run of 30 yards around right end. Cartwright went 6 more through right tackle and through center for 3. Jones made 7 and Hardy 2 through right tackle. Cartwright was out for a while after getting a hard fall in a center buck. Hardy hit his favorite spot, right tackle, for 5 yards and carried again through center. The ball was at the goal line and Cartwright was carried over through center for the first touchdown. Time was called for the half as Cartwright failed on a hard goal kick.

Second Half.

The Rovers scored twice in the second half. Hughes went in at left tackle. Robbins at quarter and the other players resumed their regular positions. Hardy kicked off and Toronto fumbled to Cartwright on their 25-yard line. Cartwright hit center for 7 yards and circled left end for 17. Hardy hurried through for the second touchdown. Hardy failed to kick goal.

Biddle kicked to Cartwright, who carried to center field. Robbins cleverly worked a quarterback run for 15 yards, circling left end. Tyson carried for 2½ yards and Harvey skirted left end for 5 more. Robbins had a good start on another quarterback run, but fell down after a gain of 15 yards. Cartwright center bucked for 4 and then Robbins called the famous Jethro play. Every member of the team participated and it was worked for a 7-yard gain. Another screw play netted 1 yard. Yingst nailed Robbins for no gain on another quarterback run, but Cartwright carried 10 through center. Hardy hit left tackle for 3 and Cartwright made 3 through center. Robbins tried "Jethro" again, but it didn't work and Yingst threw Hardy for a loss on an end run. Toronto's ball on downs. Harvey, Hughes and Hardy did some great tackling in the succeeding plays. McKee got through one and looked dangerous, but "Doggie" Robbins nailed him after he had gained 15 yards. Biddle sent Yingst to fullback. Harvey nailed Duke, and Hardy threw McKee for a loss. Yingst hit center for 2 and punted to save losses on downs. It was the Rovers' ball on Toronto's 50-yard line. Godwin was given the ball on the next play and he cleared left end for a fine run to the goal line. Hardy failed again on the goal kick and the final score was 15 to 0.

The lineup:

Rovers—F. Coleman, Godwin, left end; Johnston, Hughes, left tackle; McDevitt, Burgess, left guard; Amos, center; Harvey, right end; Godwin, right tackle; J. Hester, right guard; Jones, Hardy, left half; Hardy, J. Coleman, right half; McAvoy, Robbins, quarter; Cartwright, fullback.

Toronto—Heckathorn, left end; Prosser, left tackle; Carstensen, left guard; McFarland, center; Yingst, right end; Montgomery, right tackle; Raney, Snowden, right guard; McKee, left half; Duncan, right half; Duke, quarterback; Biddle, fullback.

Touchdowns—Cartwright, Hardy and Godwin.

Time of halves—20 minutes.

Umpire—Baker.

Referee—Paisley.

Another Game Saturday.

The East End Tigers claim the score of their foot ball game with the Diamond Indians on Saturday should have been 6 to 0 in favor of the Tigers. The Tigers also claim a similar score over a colored team, which failed to show up. The East End Tigers will play the Brewery Tigers at Columbian park Saturday.

SPORTING MISCELLANY.

"Babe" Way, who was reported killed in a foot ball game at Bethany recently, by a Sunday newspaper, has turned up safe and sound at his home in Martin's Ferry.

Lawrence Lutz, who had been in Toledo for several weeks training for a fight with Ed Murphy, a boxer of considerable note in that vicinity, won his bout in the last half of the second round.

"Lefty" Jackson, the clever Pittsburg boy who twirled for the Warren (O.) team during the past season, is in demand. Since the close of the base ball season he has been swamped with offers from independent and minor league teams. He has signed with Illion.

A movement is on foot among a number of Wheeling sports and admir-

ers of the manly art to hold pugilistic contests at the Bridgeport opera house during the coming winter. Correspondence is now being held with Curly Supples, of Buffalo, and Eddie Kennedy, of Allegheny, to appear there.

A Good Name.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Easton, Boerne, Texas. Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effectual. They cure biliousness, torpid liver, jaundice, sick headache, constipation, etc. They do not purge and weaken, but cleanse and strengthen. Sold by Alvin H. Bulger (only).

Chicago, Nov. 4.—The first train load of returning Dowle "restorationists" arrived at Zion City. Later at intervals of an hour or two, train after train deposited its travel-stained crusaders.

Energy all gone? Headache? Stomach out of order? Simply a case of torpid liver. Burdock Blood Bitters will make a new man or woman of you.

Skull Crushed in Election Argument.

Danville, Ky., Nov. 4.—While in an election discussion William Middleton, aged 30, struck Fountain H. Hasty with the butt of a gun, crushing his skull. Hasty will die.

Go Prepared.

In preparing for your summer outing a little forethought may save you no end of trouble. Mr. John H. Manly, a dry goods merchant, of Belleville, R. I., while packing an outfit for camping a few weeks on Narragansett Bay, put in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy for emergency use. The second day in camp his little boy was taken with cramp colic. The first dose of this remedy gave relief and the second dose effected a cure. Think of the pain and suffering this boy would have had to endure without this remedy at hand to relieve him. Such cases often result fatally. For sale by Alvin H. Bulger.

With loud huzzahs of admiration for the clever work of the East Liverpool basket ball players, 500 happy fans flocked out of the pavilion at Rock Springs park last night, after the opening game of the season. The belief that this year's team would prove as fast as last year's five was realized and the season is full of promise. The home boys and this tells the story last night, easily outclassing Freedom.

The opening of the season was most auspicious and Manager Gallimore and the players are more than pleased. A look over the audience proved that the very best people of the city are interested in the sport and will attend the games for an evening of enjoyment. The big dancing pavilion, which has been made snug for the winter, provides an excellent floor, although it was a little too smooth for perfect foot work. The Rovers were not in the best of shape for the struggle, as they were still feeling the effects of last Saturday's contest with Sebring. Cartwright was sore and the hard work he had to do in the first half had him nearly done up. Robbins eased up on him when he took McAvoy's place at quarter in the second half. "Carty" played a great game, working either the center or the ends for nice gains. Hardy played better at defensive. His tackling of those heavy backs was one and he downed them several times for losses. The Rovers had the greatest difficulty gaining through the tackles, center and either of the ends being much easier. The Rovers were much stronger in the second half, when Hughes went in as left tackle and Burgess to left guard. Robbins, who succeeded McAvoy at quarter, worked trick plays, end runs and quarterback runs successfully. Hughes played superbly at left tackle. Lem Harvey showed his ability on end. In defensive play he was back at the halves before they could start with the ball. He knows how to tackle low and always gets his man.

Yingst was certainly the star for the visitors, and though his end was run several times he could not be blamed, as the man with the ball usually had strong interference. Yingst played hard and made some very pretty plays. Biddle was no good at fullback and the halves were only fair, all showed a lack of practice.

The Rovers were outweighed again, but won because they were faster and better understood the fine points of the game. Many of the spectators on account of the superior size of the visitors picked them to win. They might have scored in the second half had they fumbled less.

First Half.
Toronto won the toss and defended the west goal. Biddle bucking off to McDevitt on the 30-yard line. The ball was fumbled on the first down, but the Rovers recovered it. Hardy held Dufcan for no gain and on the next scrimmage Toronto fumbled to the Rovers. Cartwright took a shot at center and gained two yards, then run left end for 10. He carried again on a center buck for 1 yard and Hardy followed with a 10-yard run through right tackle. Harvey tried it around right end for 2½ and Hardy went 6 more on a silent signal. F. Coleman run left end for 4 yards on a silent signal. Jones carried 12 yards, but lost the ball. McKee carried for 6 yards through left tackle and Biddle fumbled through center. McKee gained again, 4 yards through left tackle. F. F. Coleman had his ankle hurt and went out, Burgess going in. Rovers' ball on downs. Cartwright run left

ABOUT THAT COAT

You wear a coat. Why? To keep the cold out? No; to keep the warmth in. What of the body that has no warmth—the thin, poor body that lacks the healthy flesh and fat it needs?

For such we say that Scott's Emulsion provides the right kind of a coat. Why? Because Scott's Emulsion builds firm, solid flesh and supplies just enough fat to fill nature's requirements—no more. That means bodily warmth.

end for 5 yards and Hardy made a small gain through right tackle. Cartwright got away from the bunch and made a fine run of 30 yards around right end. Cartwright went 6 more through right tackle and through center for 3. Jones made 7 and Hardy 2 through right tackle. Cartwright was out for a while after getting a hard fall in a center buck. Hardy hit his favorite spot, right tackle, for 5 yards and carried again through center. The ball was at the goal line and Cartwright was carried over through center for the first touchdown. Time was called for the half as Cartwright failed on a hard goal kick.

Second Half.
The Rovers scored twice in the second half. Hughes went in at left tackle. Robbins at quarter and the other players resumed their regular positions. Hardy kicked off and Toronto fumbled to Cartwright on their 25-yard line. Cartwright hit center for 7 yards and circled left end for 17. Hardy hurdled through for the second touchdown. Hardy failed to kick goal.

Biddle kicked to Cartwright, who carried to center field. Robbins cleverly worked a quarterback run for 16 yards, circling left end. Tyson carried for 2½ yards and Harvey skirted left end for 5 more. Robbins had a good start on another quarterback run, but fell down after a gain of 15 yards. Cartwright center bucked for 4 and then Robbins called the famous Jethro play. Every member of the team participates and it was worked for a 7-yard gain. Another screw play netted 1 yard. Yingst nailed Robbins for no gain on another quarterback run, but Cartwright carried 10 through center. Hardy hit left tackle for 3 and Cartwright made 3 through center. Robbins tried "Jethro" again, but it didn't work and Yingst threw Hardy for a loss on an end run. Toronto's ball on downs. Harvey, Hughes and Hardy did some great tackling in the succeeding plays. McKee got through one and looked dangerous, but "Doggie" Robbins nailed him after he had gained 15 yards. Biddle sent Yingst to fullback. Harvey nailed Duke, and Hardy threw McKee for a loss. Yingst hit center for 2 and punted to save losses on downs. It was the Rovers' ball on Toronto's 50-yard line. Godwin was given the ball on the next play and he cleared left end for a fine run to the goal line. Hardy failed again on the goal kick and the final score was 15 to 0.

The Lineups:
Rovers—F. Coleman, Godwin, left end; Johnston, Hughes, left tackles; McDevitt, Burgess, left guard; Amos, center; Harvey, right end; Godwin, right tackle; J. Hester, right guard; Jones, Hardy, left half; Hardy, J. Coleman, right half; McAvoy, Robbins, quarter; Cartwright, fullback.
Toronto—Heckathorn, left end; Prosser, left tackle; Carstensen, left guard; McFarland, center; Yingst, right end; Montgomery, right tackle; Raney, Snowdown, right guard; McKee, left half; Duncan, right half; Duke, quarterback; Biddle, fullback.

Touchdowns—Cartwright, Hardy and Godwin.
Time of halves—20 minutes.
Umpire—Baker.
Referee—Paisley.

FREEDOM LOST TO LOCAL TEAM

OPENING BASKET BALL GAME LAST NIGHT WELL ATTENDED.

Visitors Were Outplayed and Victory Came Easily to the Local Five.

With loud huzzahs of admiration for the clever work of the East Liverpool basket ball players, 500 happy fans filed out of the pavilion at Rock Springs park last night, after the opening game of the season. The belief that this year's team would prove as fast as last year's five was realized and the season is full of promise. The home boys and this tells the story last night, easily outclassing Freedom.

The opening of the season was most auspicious and Manager Gallimore and the players are more than pleased. A look over the audience proved that the very best people of the city are interested in the sport and will attend the games for an evening of enjoyment. The big dancing pavilion, which has been made snug for the winter, provides an excellent floor, although it was a little too smooth for perfect foot work. Nearly 1,000 people can be accommodated and the

seating arrangement gives all an unobstructed view of the floor.

Freedom was not fast enough for the home boys and this tells the story of the defeat. The visitors were outplayed both as to interference and throwing from the field. They had but two field goals, which tells the story of the fast game played by the locals. The ball was seldom near East Liverpool's basket, except for foul throws and most of the battle took place around Freedom's basket. All five of the local players put up a brilliant game and if there was any distinguished feature William Powell should be mentioned for two difficult field goals:

East Liverpool—

Bloor, lf 0
Powell, lf 2 goals

Another Game Saturday.

The East End Tigers claim the score of their foot ball game with the Diamond Indians on Saturday should have been 6 to 0 in favor of the Tigers, instead of 9 to 0, as the other reported. The Tigers also claim a similar score over a colored team, which failed to show up. The East End Tigers will play the Brewery Tigers at Columbian park Saturday.

SPORTING MISCELLANY.

"Babe" Way, who was reported killed in a foot ball game at Bethany recently, by a Sunday newspaper, has turned up safe and sound at his home in Martin's Ferry.

Lawrence Lutz, who had been in Toledo for several weeks training for a fight with Ed Murphy, a boxer of considerable note in that vicinity, won his bout in the last half of the second round.

"Lefty" Jackson, the clever Pittsburg boy who twirled for the Warren (O.) team during the past season, is in demand. Since the close of the base ball season he has been swamped with offers from independent and minor league teams. He has signed with Ilion.

A movement is on foot among a number of Wheeling sports and admir-

ers of the manly art to hold pugilistic contests at the Bridgeport opera house during the coming winter. Correspondence is now being held with Curly Supplies, of Buffalo, and Eddie Kennedy, of Allegheny, to appear there.

A Good Name.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Easton, Boerne, Texas. Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effectual. They cure biliousness, torpid liver, jaundice, sick headache, constipation, etc. They do not purge and weaken, but cleanse and strengthen. Sold by Alvin H. Bulger (only).

Dowie's Hosts Return.

Chicago, Nov. 4.—The first train load of returning Dowie "restorationists" arrived at Zion City. Later at intervals of an hour or two, train after train deposited its travel-stained crusaders.

Energy all gone? Headache? Stomach out of order? Simply a case of torpid liver. Burdock Blood Bitters will make a new man or woman of you.

Skull Crushed in Election Argument.

Danville, Ky., Nov. 4.—While in an election discussion William Middleton, aged 30, struck Fountain H. Hasty with the butt of a gun, crushing his skull. Hasty will die.

Go Prepared.

In preparing for your summer outing a little forethought may save you no end of trouble. Mr. John H. Manly, a dry goods merchant, of Belleville, Ill., while packing an outfit for camping a few weeks on Narragansett Bay, put in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy for emergency use. The second day in camp his little boy was taken with cramp colic. The first dose of this remedy gave relief and the second dose effected a cure. Think of the pain and suffering this boy would have had to endure without this remedy at hand to relieve him. Such cases often result fatally. For sale by Alvin H. Bulger.

TAMMANY TRIUMPHS

Mayor Low Sends Congratulations to George B. McClellan on His Election.

DEVERY POLLS VERY SMALL VOTE

Low Beaten by About 70,000—Grout Elected Comptroller and Farnes President of Board of Aldermen—Results Throughout the State.

New York, Nov. 4.—After a remarkable campaign, in which there was a contest against him nearly all the newspapers and practically every minister of religion in the city, George B. McClellan, son of the Civil war general, was elected third mayor of Greater New York over Seth Low, Fusionist, the present mayor, by the large plurality of 70,000.

Edward M. Grout was elected comptroller and Charles V. Farnes president of the board of aldermen. These two men were originally on the Fusion ticket and were endorsed by Tammany, whereupon the Fusionists took their names from the Low ballots and nominated other candidates. It was the nomination of Grout and Farnes by Tammany that caused Hugh McLaughlin, the veteran leader of the Kings County Democracy, to bolt and declare that he would not support men who were not Democrats. In spite of his defection, however, McLaughlin and Farnes carried Kings county. The management of their campaign was taken over by state Senator Patrick H. McCarren, when McLaughlin refused his aid.

Devery Also Ran.
A surprise was the low vote for William S. Devery, former chief of police, who ran on an independent

GEORGE B. MCCLELLAN.

ticket, which was given practically no support. This result shows a tremendous change of public sentiment since Mayor Low's election two years ago, when he won by 31,632. At that time he carried all the boroughs but Queens, his plurality in Manhattan and the Bronx being 5,663; in Brooklyn, 25,767, and in Richmond, 763. In Queens, Shepard (Dem.), had a plurality of 561.

McClellan carried Manhattan and the Bronx by about 58,000, a gain of 63,000; Brooklyn by about 8,000, a gain of 31,000, and Queens by about 2,000, a gain of more than 4,000. This makes a total net gain for McClellan of about 103,000, as compared with Shepard's vote of two years ago.

Low carried only one borough—Richmond—by about 200 votes.

The result was known early, and Mayor Low sent a telegram of congratulation to Colonel McClellan.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to urinate during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold in all drug stores in fifty-cent and one-dollar bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both free by mail. Address Dr. Kilmer & Co., P.O. Box 539, Albany, N. Y. When writing mention this generous offer in this paper.

Don't make any mistake, but remember the name Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Albany, N. Y., on every bottle.

ent a member of congress, made the following statement:

"I am deeply grateful to my fellow citizens for their confidence in me. I renew the promises which I made before election. I have no bitterness of feeling for any one. I shall go at once to Washington and prepare for the extraordinary session, and as soon as the question of Cuban reciprocity is disposed of, I shall turn my attention to the affairs of the city. I invite the co-operation of every citizen, whether he supported me or not and regardless of his political views, in the advancement of the city's good. This victory should encourage and unite all Democrats for the presidential contest in 1904."

NEW YORK STATE

New York, Nov. 4.—Returns from the state indicate the election of Republican mayors in Syracuse, Rome, Elmira, Plattsburgh, Rochester, Albany, Binghamton, Watertown and Oneida. In Oswego, Schenectady, Troy, Amsterdam and Utica Democratic mayors were elected.

Returns from assembly districts up state indicate a few gains by the Republicans, showing four Republican assemblies in districts formerly represented by Democrats. From many of the up-state assembly districts, however, no reports had been received. In New York county the Republicans had gained one assemblyman, seven districts being unreported. The Republicans gained a state senator in the Twenty-third district, where a Republican succeeds Charles McClellan, Democrat, who resigned to accept a federal appointment. The senate holds over and is strongly Republican.

The latest returns indicate that the large canal proposition to widen and deepen the state canals so as to admit of the passage of 1,000-ton barges, has been carried by a majority of about 175,000. The proposition carries with it an appropriation of \$101,000,000.

Albany, Nov. 4.—Charles H. Gans (Rep.) was re-elected mayor by a plurality considerably larger than that of two years ago, defeating Colonel William Gorham Rice. The campaign was one of the hottest in recent years, being conducted on exclusively local lines. The entire Republican city ticket is elected.

MASSACHUSETTS

Boston, Nov. 4.—John L. Bates was re-elected governor of Massachusetts by a plurality of about 27,000 over Colonel William A. Gaston, the Democratic candidate. With a dozen cities and towns to hear from, Bates had a lead of 32,315, but as the missing towns are all strongly Republican, there is every indication that the plurality of the Republican candidate would be practically the same as that of last year, although the total vote may run higher.

The legislature remains practically unchanged so far as the Democrats and Republicans are concerned, but the Socialist party, which had three members last year, will be represented by only one, a member from Brockton. The Socialist vote fell off considerably from last year, and the failure to re-elect Representative Carey, of Haverhill, one of the party leaders and a member of the lower branch of the legislature for the past five or six years, was one of the features of the election.

KENTUCKY

Louisville, Nov. 4.—Returns received from the state indicate the re-election of Governor J. C. W. Beckham (Dem.) by a majority conservatively estimated at 14,000. The vote cast was unusually heavy and the returns are very slow. Out of 119 counties in the state, returns have been received from only 22. These five received from only 22. These five received from only 22. These five received from only 22.

Beckham 34,448; Belknap, 22,035. Belknap carried five of these 22 counties, 16 of which are nominally Democratic. Louisville, Ky., Nov. 4.—Practically complete returns from Nelson, Gallatin, Franklin and Johnson counties give Beckham a majority for the four combined of 1,670. This is a Republican gain of 50 votes in the total for the four counties.

MARYLAND

Baltimore, Nov. 4.—The returns from Baltimore city and the Maryland

counties are meager, owing to the length of the ballot, and therefore it is impossible to accurately estimate the result. The indications, however, point to the election of Edwin Wardfield (Dem.), as governor, over Stevenson A. Williams (Rep.), and that the legislature, which will elect a United States senator, will also be Democratic. Returns have been received from only 30 of the 398 precincts in Baltimore city, and only scattering returns from the counties.

MISSISSIPPI

Jackson, Nov. 4.—The vote in the state was light. The Democratic ticket, headed by James K. Vardaman for governor, was elected, there being no opposition. An entirely new legislature was elected, which will elect two United States senators. Senators H. D. Money and A. J. McLaughlin, who were nominated in the August primary, will have no opposition.

COLORADO

Denver, Nov. 4.—Both Republicans and Democrats are claiming the election of justice of the supreme court, the only office to be filled at this election, but all agree that the result will be close. Conservative Republican concede the plurality of Wilson (Dem.) over Campbell (Rep.) in Denver at about 5,000.

IOWA

Des Moines, Nov. 4.—Returns from Iowa are coming in slowly. Those received indicate a plurality for Cummins (Rep.), for governor, is 50,000, against 85,000 two years ago. Returns from 160 precincts give Cummins 18,722; Sullivan, 10,988. The same precincts in 1901 gave Cummins 18,940; Phillips, 10,252.

NEW JERSEY

Newark, Nov. 4.—The Republicans carried the city of Newark and Essex county, electing their entire city ticket, and in the county their eleven candidates for assembly by substantial majorities.

Trenton, Nov. 4.—Indications are that Frank J. Katzenbach Jr., (Dem.) is re-elected mayor by at least 2,000 over James Buchanan (Rep.). Cape May, Nov. 4.—Cape May county elected L. M. Cresse (Rep.) state senator by a majority of between 400 and 500. James M. E. Hildreth (Rep.) is elected assemblyman by 800.

ONE MILLION DOLLARS FOR A GOOD STOMACH

Mr. Rockefeller's Offer Should Be a Warning To Every Man and Woman.

The newspapers and medical journals recently have had much to say relative to John D. Rockefeller's offer of a million dollars for a new stomach.

This great multi-millionaire was too busy to worry about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable.

His misfortune serves as a warning to others.

Everyone who suffers with dyspepsia for a few years will give everything he owns for a new stomach.

There are twenty million men and women suffering with dyspepsia—twenty million men and women whose stomachs are wearing out.

There are no new stomachs for sale at any price.

We offer these sufferers the next best thing. We guarantee to make their old stomachs almost as good as new.

Dyspepsia is caused by an abnormal state of the gastric juices. There is one element missing. The absence of this destroys the function of the gastric fluids. They lose their power to digest food.

We are now able to supply the missing element—to restore to the gastric juices their digestive power, and to make the stomach strong and well.

We know that Reckall Dyspepsia Tablets will positively and permanently cure. We want you to try them and will return your money if you are not more than satisfied with the result.

TAMMANY TRIUMPHS

Mayor Low Sends Congratulations to George B. McClellan on His Election.

DEVERY POLLS VERY SMALL VOTE

Low Beaten by About 70,000—Grout Elected Comptroller and Fornes President of Board of Aldermen—Results Throughout the State.

New York, Nov. 4.—After a remarkable campaign, in which there was a united front against him nearly all of the newspapers and practically every minister of religion in the city, George B. McClellan, son of the Civil War General, was elected third mayor of Greater New York over Seth Low, Fusionist, the present mayor, by the large plurality of 70,000.

Edward M. Grout was elected comptroller and Charles V. Fornes president of the board of aldermen. These two men were originally on the fusion ticket and were endorsed by Tammany whereupon the Fusionists took their names from the Low ballots and nominated other candidates. It was the nomination of Grout and Fornes by Tammany that caused Hugh McLaughlin, the veteran leader of the Kings County Democracy, to bolt and declare that he would not support men who were not Democrats. In spite of his defection, however, McClellan, Grout and Fornes carried Kings county. The management of their campaign was taken over by state Senator Patrick H. McCarren, when McLaughlin refused his aid.

ent a member of congress, made the following statement:

"I am deeply grateful to my fellow citizens for their confidence in me. I renew the promises which I made before election. I have no bitterness of feeling for any one. I shall go at once to Washington and prepare for the extraordinary session, and as soon as the question of Cuban reciprocity is disposed of, I shall turn my attention to the affairs of the city. I invite the co-operation of every citizen, whether he supported me or not and regardless of his political views, in the advancement of the city's good. This victory should encourage and unite all Democrats for the presidential contest in 1904."

NEW YORK STATE

New York, Nov. 4.—Returns from the state indicate the election of Republican mayors in Syracuse, Rome, Elmira, Plattsburg, Rochester, Albany, Binghamton, Watertown and Oneida. In Oswego, Schenectady, Troy, Amsterdam and Utica Democratic mayors were elected.

Returns from assembly districts up state indicate a few gains by the Republicans, showing four Republican assemblymen in districts formerly represented by Democrats. From many of the up-state assembly districts, however, no reports had been received. In New York county the Republicans had gained one assemblyman, seven districts being unreported. The Republicans gained a state senator in the Twenty-third district, where a Republican succeeds Charles McClellan, Democrat, who resigned to accept a federal appointment. The senate holds over and is strongly Republican.

The latest returns indicate that the large canal proposition to widen and deepen the state canals so as to admit of the passage of 1,000-ton barges, has been carried by a majority of about 175,000. The proposition carries with it an appropriation of \$101,000,000. Albany, Nov. 4.—Charles H. Gans (Rep.) was re-elected mayor by a plurality considerably larger than that of two years ago, defeating Colonel William Gorham Rice. The campaign was one of the hottest in recent years, being conducted on exclusively local issues. The entire Republican city ticket is elected.

MASSACHUSETTS

Boston, Nov. 4.—John L. Bates was re-elected governor of Massachusetts by a plurality of about 37,000 over Colonel William A. Gaston, the Democratic candidate. With a dozen cities and towns to hear from, Bates had a lead of 32,815, but as the missing towns are all strongly Republican, there is every indication that the plurality of the Republican candidate would be practically the same as that of last year, although the total vote may run higher.

The legislature remains practically unchanged so far as the Democrats and Republicans are concerned, but the Socialist party, which had three members last year, will be represented by only one, a member from Boston. The Socialist vote fell off considerably from last year, and the failure to re-elect Representative Carey, of Haverhill, one of the party leaders and a member of the lower branch of the legislature for the past five or six years, was one of the features of the election.

KENTUCKY

Louisville, Nov. 4.—Returns received from the state indicate the reelection of Governor J. C. W. Beckham (Dem.) by a majority conservatively estimated at 14,000. The vote cast was unusually heavy and the returns are very slow. Out of 119 counties in the state, returns have been received from only 22. These give Beckham 34,448; Belknap, 22,035. Belknap carried five of these 22 counties, 16 of which are nominally Democratic. Louisville, Ky., Nov. 4.—Practically complete returns from Nelson, Gallatin, Franklin and Johnson counties give Beckham a majority for the four combined of 1,670. This is a Republican gain of 50 votes in the total for the four counties.

MARYLAND

Baltimore, Nov. 4.—The returns from Baltimore city and the Maryland

counties are meager, owing to the length of the ballot, and therefore it is impossible to accurately estimate the result. The indications, however, point to the election of Edwin Warfield (Dem.), as governor, over Stevenson A. Williams (Rep.), and that the legislature, which will elect a United States senator, will also be Democratic. Returns have been received from only 36 of the 395 precincts in Baltimore city, and only scattering returns from the counties.

MISSISSIPPI

Jackson, Nov. 4.—The vote in the state was light. The Democratic ticket, headed by James K. Vardaman for governor, was elected, there being no opposition. An entirely new legislature was elected, which will elect two United States senators. Senators H. D. Money and A. J. McClarin, who were nominated in the August primary, will have no opposition.

COLORADO

Denver, Nov. 4.—Both Republicans and Democrats are claiming the election of justice of the supreme court, the only office to be filled at this election, but all agree that the result will be close. Conservative Republican concede the plurality of Wilson (Dem.) over Campbell (Rep.) in Denver at about 5,000.

IOWA

Des Moines, Nov. 4.—Returns from Iowa are coming in slowly. Those received indicate a plurality for Cummins (Rep.), for governor, is 50,000, against 35,000 two years ago. Returns from 160 precincts gave Cummins 18,722; Sullivan, 10,988. The same precincts in 1901 gave Cummins 18,940; Phillips, 10,252.

NEW JERSEY

Newark, Nov. 4.—The Republicans carried the city of Newark and Essex county, electing the entire city ticket, and in the county their eleven candidates for assembly by substantial majorities.

Trenton, Nov. 4.—Indications are that Frank J. Katzenbach, Jr., (Dem.) is re-elected mayor by at least 2,000 over James Buchanan (Rep.). Cape May, Nov. 4.—Cape May county elected L. M. Cresce (Rep.) state senator by a majority of between 400 and 600. James M. E. Hildreth (Rep.) is elected assemblyman by 800.

ticket, which was given practically no support. This result shows a tremendous change of public sentiment since Mayor Low's election two years ago, when he won by 31,632. At that time he carried all the boroughs but Queens, his plurality in Manhattan and the Bronx being 5,603; in Brooklyn, 25,767, and in Richmond, 763. In Queens, Shepard (Dem.), had a plurality of 561.

McClellan carried Manhattan and the Bronx by about 58,000, a gain of 28,000; Brooklyn by about 6,000, a gain of 31,000, and Queens by about 5,000, a gain of more than 4,000. This makes a total net gain for McClellan of about 102,000, as compared with Shepard's vote of two years ago.

Low carried only one borough—Richmond—by about 200 votes. The result was known early, and Mayor Low sent a telegram of congratulation to Colonel McClellan.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney poisons on blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root; the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to arise during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both Home of Swamp-Root, by mail. Address Dr. Kilmer & Co., Poughkeepsie, N. Y. When writing mention this generous offer in this paper.

Don't make any mistake, but remember the name Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Poughkeepsie, N. Y., on every bottle.

ent a member of congress, made the following statement:

"I am deeply grateful to my fellow citizens for their confidence in me. I renew the promises which I made before election. I have no bitterness of feeling for any one. I shall go at once to Washington and prepare for the extraordinary session, and as soon as the question of Cuban reciprocity is disposed of, I shall turn my attention to the affairs of the city. I invite the co-operation of every citizen, whether he supported me or not and regardless of his political views, in the advancement of the city's good. This victory should encourage and unite all Democrats for the presidential contest in 1904."

NEW YORK STATE

New York, Nov. 4.—Returns from the state indicate the election of Republican mayors in Syracuse, Rome, Elmira, Plattsburg, Rochester, Albany, Binghamton, Watertown and Oneida. In Oswego, Schenectady, Troy, Amsterdam and Utica Democratic mayors were elected.

Returns from assembly districts up state indicate a few gains by the Republicans, showing four Republican assemblymen in districts formerly represented by Democrats. From many of the up-state assembly districts, however, no reports had been received. In New York county the Republicans had gained one assemblyman, seven districts being unreported. The Republicans gained a state senator in the Twenty-third district, where a Republican succeeds Charles McClelland, Democrat, who resigned to accept a federal appointment. The senate holds over and is strongly Republican.

The latest returns indicate that the barge canal proposition to widen and deepen the state canals so as to admit of the passage of 1,000-ton barges, has been carried by a majority of about 175,000. The proposition carries with it an appropriation of \$101,000,000.

Albany, Nov. 4.—Charles H. Gans (Rep.) was re-elected mayor by a plurality considerably larger than that of two years ago, defeating Colonel William Gorham Rice. The campaign was one of the hottest in recent years, being conducted on exclusively local issues. The entire Republican city ticket is elected.

MASSACHUSETTS

Boston, Nov. 4.—John L. Bates was re-elected governor of Massachusetts by a plurality of about 37,000 over Colonel William A. Gaston, the Democratic candidate. With a dozen cities and towns to hear from, Bates had a lead of 32,315, but as the missing towns are all strongly Republican, there is every indication that the plurality of the Republican candidate would be practically the same as that of last year, although the total vote may run higher.

The legislature remains practically unchanged so far as the Democrats and Republicans are concerned, but the Socialist party, which had three members last year, will be represented by only one, a member from Boston. The Socialist vote fell off considerably from last year, and the failure to re-elect Representative Carey, of Haverhill, one of the party leaders and a member of the lower branch of the legislature for the past five or six years, was one of the features of the election.

KENTUCKY

Louisville, Nov. 4.—Returns received from the state indicate the election of Governor J. C. W. Beckham (Dem.) by a majority conservatively estimated at 14,000. The vote cast was unusually heavy and the returns are very slow. Out of 115 counties in the state, returns have been received from only 22. These give Beckham 34,448; Beckman, 22,035. Beckham carried five of these 22 counties, 16 of which are nominally Democratic.

Louisville, Ky., Nov. 4.—Practically complete returns from Nelson, Gallatin, Franklin and Johnson counties give Beckham a majority for the four combined of 1,670. This is a Republican gain of 50 votes in the total for the four counties.

MARYLAND

Baltimore, Nov. 4.—The returns from Baltimore city and the Maryland

counties are meager, owing to the length of the ballot, and therefore it is impossible to accurately estimate the result. The indications, however, point to the election of Edwin Warfield (Dem.), as governor, over Stevenson A. Williams (Rep.), and that the legislature, which will elect a United States senator, will also be Democratic. Returns have been received from only 30 of the 395 precincts in Baltimore city, and only scattering returns from the counties.

MISSISSIPPI

Jackson, Nov. 4.—The vote in the state was light. The Democratic ticket, headed by James K. Vardaman for governor, was elected, there being no opposition. An entirely new legislature was elected, which will elect two United States senators. Senators H. D. Money and A. J. McLaurin, who were nominated in the August primary, will have no opposition.

COLORADO

Denver, Nov. 4.—Both Republicans and Democrats are claiming the election of justice of the supreme court, the only office to be filled at this election, but all agree that the result will be close. Conservative Republican concede the plurality of Wilson (Dem.) over Campbell (Rep.) in Denver at about 5,000.

IOWA

Des Moines, Nov. 4.—Returns from Iowa are coming in slowly. Those received indicate a plurality for Cummins (Rep.) for governor, is 50,000, against 85,000 two years ago. Returns from 160 precincts give Cummins 18,722; Sullivan, 10,988. The same precincts in 1901 gave Cummins 18,940; Phillips, 10,252.

NEW JERSEY

Newark, Nov. 4.—The Republicans carried the city of Newark and Essex county, electing their entire city ticket and in the county their eleven candidates for assembly by substantial majorities.

Trenton, Nov. 4.—Indications are that Frank P. Katzenbach, Jr. (Dem.) is re-elected mayor by at least 2,000 over James Buchanan (Rep.).

Cape May, Nov. 4.—Cape May county elected L. M. Cresce (Rep.) state senator by a majority of between 400 and 500. James M. E. Hildreth (Rep.) is elected assemblyman by 800.

ONE MILLION DOLLARS FOR A GOOD STOMACH

Mr. Rockefeller's Offer Should Be a Warning To Every Man and Woman.

The newspapers and medical journals recently have had much to say relative to John D. Rockefeller's offer of a million dollars for a new stomach.

This great multi-millionaire was too busy to worry about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable. His misfortune serves as a warning to others.

Everyone who suffers with dyspepsia for a few years will give everything he owns for a new stomach.

There are twenty million men and women suffering with dyspepsia—twenty million men and women whose stomachs are wearing out.

There are no new stomachs for sale at any price.

We offer these sufferers the next best thing. We guarantee to make their old stomachs almost as good as new.

Dyspepsia is caused by an abnormal state of the gastric juices. There is one element missing. The absence of this destroys the function of the gastric fluids. They lose their power to digest food.

We are now able to supply the missing element—to restore to the gastric juices their digestive power, and to make the stomach strong and well.

We know that Rexall Dyspepsia Tablets will positively and permanently cure. We want you to try them and will return your money if you are not more than satisfied with the result.

Price 25 cents. Only at our store, or by mail.

Sour Stomach

"I used Cascarets and feel like a new man. I have been a sufferer from dyspepsia and sour stomach for the last two years. I have been taking medicine and other drugs, but could find no relief until I found Cascarets. I will recommend Cascarets to my friends as the only thing for indigestion and sour stomach and to keep the bowels in good condition. They are very nice to eat."

Prof. Robert E. Rayman, Supt. of Schools, East Liverpool, says:

"I purchased the Stoddard Lectures because I believe after carefully considering the contents of the book that it is a very superior work. It is a book that will give pleasure because of the variety of information furnished. It is one of the most complete books of the kind I have ever seen. Its descriptions are interesting, its style elegant, and its illustrations are very helpful. I regard this as a very valuable book educationally, because it is arranged in such an attractive way as to attract the interest of young people, and it certainly becomes a very valuable book to substitute for much of the worthless literature that young people are inclined to read. If we expect to break up the reading of bad literature we must substitute something which contains the elements of interest and profit. As such a work I most cheerfully commend this book to parents and schools as one of the very best."

Rev. Milton Butler Pratt, Pastor Methodist Episcopal Church, East Liverpool, says:

"When in college Mr. John L. Stoddard was my favorite diversion. With him I traveled over the earth, learning all the while from a scholarly eloquent man.

"Since that time I have purchased those lecture both for my own pleasure and for the benefit of my family. I know no work that can compete with Stoddard's Lectures, and believe every home should contain a set at any reasonable sacrifice."

Miss Gertrude A. Baker, Librarian, Carnegie Public Library, East Liverpool, says:

"The Stoddard Lectures are books which will stimulate a desire to visit foreign lands and at the same time by their valuable information gratify the curiosity of those who may not be able to travel far. The illustrations form a feature which may be left in the main to recommend itself, but they are of such interest that even the very young people will be led to read and enjoy these books."

ticket, which was given practically no support. This result shows a tremendous change of public sentiment since Mayor Low's election two years ago, when he won by 31,632. At that time he carried all the boroughs but Queens, his plurality in Manhattan and the Bronx being 5,663; in Brooklyn, 25,767, and in Richmond, 763. In Queens, Shepard (Dem.), had a plurality of 56.

McClellan carried Manhattan and the Bronx by about 58,000, a gain of 63,000 Brooklyn by about 6,000, a gain of 31,000, and Queens by about 5,000, a gain of more than 4,000. This makes a total net gain for McClellan of about 103,000, as compared with Shepard's vote of two years ago.

Low carried only one borough—Richmond—by about 200 votes.

The result was known early, and Mayor Low sent a telegram of congratulation to Colonel McClellan.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root; the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to urinate during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this generous offer in this paper.

Don't make any mistake, but remember the name Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

FRIGHTFUL FALL OF A SCHOOLBOY

Emmet Grafton Tumbled from a Telephone Pole And Was Long Unconscious.

Emmet, the 11-year-old son of Mr. and Mrs. James H. Grafton, of Fourth street, was seriously injured yesterday afternoon while en route from school to his home. He climbed to the top of a telephone pole in an alley near his home and while wriggling on the cross-arms, his grasp was weakened and he fell with terrific force to the ground. For an hour he was unconscious, having suffered a terrible blow on the head and spine.

George Adams found him lying on the ground and carried him to his home, where Drs. Harrison and Badley were immediately summoned. They discovered no bones broken, but are afraid that he will suffer concussion of the brain. The boy was better today and it is expected that he will recover in a few days.

HIS CONDITION IS PRECARIOUS

Miner Injured at Lisbon May Not Survive Amputation of Limbs.

Lisbon, November 4.—(Special).—Fremont Golden, who was injured by a fall of rock at the McKinley mine yesterday, is in a serious condition and may not recover. Dr. D. J. Jones, who was called to attend him, found it necessary to amputate the left forearm midway between the elbow and the wrist.

It is feared the right leg may have to be cut off below the knee. The left leg is fractured near the hip.

SOCIAL EVENTS

Miss McClung Honored.

The ladies of the sewing circle of the West End chapel met at the home of David McLane, Denver street, last evening and enjoyed a social time arranged in honor of Miss Etta McClung, who leaves tomorrow morning for Cleveland to continue her work as an assistant in a Presbyterian church. Miss McClung was for a year the able assistant of Rev. C. G. Jordan. She will assist Rev. William Gaston at Cleveland. The sewing circle presented Miss McClung with a pretty shawl and a half dozen fine handkerchiefs. She was instrumental in organizing the circle and they learned to love her to a great degree while she was among them. Her leaving will be deeply regretted by all with whom she came in contact.

Epworth League Entertainment.

The Epworth League of the First M. E. church will hold a business meeting and social on Thursday evening. The regular business of the society will receive first and immediate attention and will be followed by a brief but interesting program. The music will be rendered by the ladies' quartet. A debate will be in charge of W. E. Warren. Those on the affirmative will be Messrs. Cunningham, Charles Swan and William Bloor. The negative debaters will be Messrs. M. E. Eppley, George Shone and Mr. Johnston. The subject of the debate will be withheld for the present, and everybody is invited to be present and participate in the pleasure of the entertainment.

Auxiliary Election.

At a meeting of the ladies' auxiliary of the Y. M. C. A. held yesterday afternoon the following officers were elected: Mrs. W. W. Hamilton, president; Mrs. Proctor Ankrim, vice president; Mrs. W. T. Wilson, secretary; Mrs. Alvin H. Bulger, financial secretary; Mrs. J. C. Allison, treasurer. The business of the past year was also closed at this meeting and it was shown that the condition of the auxiliary was never so good. The ladies succeeded in turning more than \$1,200 over to the association for its good and will do their best the coming year to do even better. A rummage sale will be held just as soon as the Woman's Relief Corps closes its sale.

Christian Endeavor Social.

The Y. P. S. C. E. of the First M. E. church will hold a social tomorrow evening. A fine program has been prepared including music, scripture reading by the pastor, Rev. Dr. David Jones, recitations and an address by Harry Smith, president of the society. The Sunday school orchestra, a ladies' quartet and a male quartet will all take part. Fine refreshments will be served.

Chautauqua Circle.

The Chautauqua Circle will meet on Friday evening at the home of Mrs. Ira Eells on Thompson avenue. Most of the time at this literary meeting will be devoted to discussions on the themes, "The Geographical Influences of America" and "The Chautauquan." Mrs. R. E. Rayman and Miss Mary Jackman will have literary essays at the meeting.

THE SALVATION ARMY HOLDS BIG MEETINGS

A Noble Work Being Carried on in This City By Maj. and Mrs. Bonnett.

The local branch of the Salvation Army is meeting with extraordinary success in its nine-day crusade, and under the direction of Major Bonnett and his estimable wife, the meetings will be productive of much good.

The services last evening were well attended and to the present 11 persons have come forward. Major Bonnett will give his famous lecture to-night on "Ten Years in South America." The gentleman was one of the first Salvation Army workers to enter the field in South America, and it was there he met and married his wife. He started the first War Cry there, and conducted the publication for several years.

Mrs. Bonnett is a soldier of wide experience, having received her early education in the work in Paris. She went to Argentine later, where she was a faithful worker in the cause for a number of years. The lady speaks French, Spanish and English fluently, and has found the accomplishments of great value in the work.

Major Bonnett and his assistants conduct midday meetings at the several potteries each day, and so far they have been very successful. Monday the meeting was held in the K. T. & K. pottery. Yesterday the service was conducted at Burford's and the Dresden and today a meeting will be held at the China works.

ADDITIONAL DUTIES FOR MR. CROSSLEY

Manager of Columbiana County Telephone Company Elected to Like Position at Youngstown.

W. F. Crossley, of Salem, who has been general manager of the Columbiana Telephone company for the past three years, having his headquarters at Salem, has been appointed general manager of the Youngstown Telephone company, in addition to his present duties. This is a big promotion and Mr. Crossley's many friends in this city will hasten to congratulate him.

Mr. Crossley has served with credit as the general manager of the Columbiana company and that he is to be entrusted with the affairs of the Youngstown company is a just recognition of his ability. He succeeds C. Y. McVey, who becomes assistant general manager of the Federal company, with headquarters in Cleveland.

For the present Mr. Crossley will continue to reside at Salem, but will eventually move to Youngstown. He will have two assistants, one at each of the two cities named, but he has not announced his appointments.

BRILLIANT SUCCESS

Was the Social and Smoker Given By Garfield Camp, Sons of Veterans.

The stag social and smoker given by General Garfield Camp, No. 3, Sons of Veterans, in the Grand Army hall last evening, was a brilliant success. A table laden with coffee, sandwiches, army baked beans and numerous other palatable refreshments was surrounded by nearly 100 guests and this feature together with the speeches which followed were immensely enjoyed by all.

Those who addressed the happy lot were Rev. J. W. Gorrell, pastor of the First Christian church; Squire Daniel McLane, in behalf of the Grand Army post; Mayor W. A. Weaver, Senior Vice Commander Davis, Comrade Johnson, of Washington, D. C., and a number of others.

An Animal Story For Little Folks

The Adjutant Bird

Did you ever see an adjutant bird? Well, it is a peculiar looking bird that has been given its name on account of its military appearance.

I shall tell you a story of the adjutant bird. He felt so much like a soldier that he began to think that all the birds should become soldiers and go to the bird store and release the birds that were in captivity. Well, he paid a visit to all of his friends and urged them to join in this scheme, but none of them was in favor of it.

"It is of no use to try any such plan as that," they said to him. "We will

BUCKLED ON HIS SWORD AND STARTED OFF.

all be caught or killed. We cannot do any good by making any such attempt as you propose."

He talked and talked to them, but they would not believe that the idea was a good one.

"Well, then, I know what I will do," he cried boldly. "I will go alone and release all the birds that are kept in cages in the bird store and at private homes."

So he put on his uniform and buckled on his sword and started off, feeling that he was a very mighty fellow indeed.

Now there isn't very much more to my story except this: As soon as the bird store man saw him coming he got out a big net and threw it over the adjutant bird's head. Then he took off the bird's sword and pretty uniform and put him in a cage with his other birds. And not long after that the adjutant bird was sold to a lady, who hung him up in her parlor to show her friends what a fine creature he was.

BRILLIANT SUCCESS

Was the Social and Smoker Given By Garfield Camp, Sons of Veterans.

The stag social and smoker given by General Garfield Camp, No. 3, Sons of Veterans, in the Grand Army hall last evening, was a brilliant success. A table laden with coffee, sandwiches, army baked beans and numerous other palatable refreshments was surrounded by nearly 100 guests and this feature together with the speeches which followed were immensely enjoyed by all.

Those who addressed the happy lot were Rev. J. W. Gorrell, pastor of the First Christian church; Squire Daniel McLane, in behalf of the Grand Army post; Mayor W. A. Weaver, Senior Vice Commander Davis, Comrade Johnson, of Washington, D. C., and a number of others.

New Counterfeit Discovered. Washington, Nov. 4.—The secret service has announced the discovery of a new counterfeit \$5 silver certificate, series of 1899, check letter A, number 191; Lyons, register; Roberts, treasurer. The most noticeable defect is the coarse, blotchy appearance of the Indian head. The paper is of good quality, with red ink lines to imitate the silk threads of the genuine.

FRIGHTFUL FALL OF A SCHOOLBOY

Emmet Grafton Tumbled from a Telephone Pole And Was Long Unconscious.

Emmet, the 11-year-old son of Mr. and Mrs. James H. Grafton, of Fourth street, was seriously injured yesterday afternoon while en route from school to his home. He climbed to the top of a telephone pole in an alley near his home and while wriggling on the cross-arms, his grasp was weakened and he fell with terrific force to the ground. For an hour he was unconscious, having suffered a terrible blow on the head and spine.

George Adams found him lying on the ground and carried him to his home, where Drs. Harrison and Bailey were immediately summoned. They discovered no bones broken, but are afraid that he will suffer concussion of the brain. The boy was better today and it is expected that he will recover in a few days.

HIS CONDITION IS PRECARIOUS

Miner Injured at Lisbon May Not Survive Amputation of Limbs.

Lisbon, November 4.—(Special.)—Fremont Golden, who was injured by a fall of rock at the McKinley mine yesterday, is in a serious condition and may not recover. Dr. D. J. Jones, who was called to attend him, found it necessary to amputate the left forearm midway between the elbow and the wrist.

It is feared the right leg may have to be cut off below the knee. The left leg is fractured near the hip.

SOCIAL EVENTS

Miss McClung Honored.

The ladies of the sewing circle of the West End chapel met at the home of David McLane, Denver street, last evening and enjoyed a social time arranged in honor of Miss Etta McClung, who leaves tomorrow morning for Cleveland to continue her work as an assistant in a Presbyterian church. Miss McClung was for a year the able assistant of Rev. C. G. Jordan. She will assist Rev. William Gaston at Cleveland. The sewing circle presented Miss McClung with a pretty shawl and a half dozen fine handkerchiefs. She was instrumental in organizing the circle and they learned to love her to a great degree while she was among them. Her leaving will be deeply regretted by all with whom she came in contact.

Epworth League Entertainment.

The Epworth League of the First M. E. church will hold a business meeting and social on Thursday evening. The regular business of the society will receive first and immediate attention and will be followed by a brief but interesting program. The music will be rendered by the ladies' quartet. A debate will be in charge of W. E. Warren. Those on the affirmative will be Messrs. Cunningham, Charles Swan and William Roor. The negative debaters will be Messrs. M. E. Eppley, George Shone and Mr. Johnston. The subject of the debate will be withheld for the present, and everybody is invited to be present and participate in the pleasure of the entertainment.

Auxiliary Election.

At a meeting of the ladies' auxiliary of the Y. M. C. A. held yesterday afternoon the following officers were elected: Mrs. W. W. Hamilton, president; Mrs. Proctor Ankrim, vice president; Mrs. W. T. Wilson, secretary; Mrs. Alvin H. Bulger, financial secretary; Mrs. J. C. Allison, treasurer. The business of the past year was also closed at this meeting and it was shown that the condition of the auxiliary was never so good. The ladies succeeded in turning more than \$1,200 over to the association for its good and will do their best the coming year to do even better. A rummage sale will be held just as soon as the Woman's Relief Corps closes its sale.

Christian Endeavor Social.

The Y. P. S. C. E. of the First M. P. church will hold a social tomorrow evening. A fine program has been prepared including music, scripture reading by the pastor, Rev. Dr. David Jones, recitations and an address by Harry Smith, president of the society. The Sunday school orchestra, a ladies' quartet and a male quartet will all take part. Fine refreshments will be served.

Chautauqua Circle.

The Chautauqua Circle will meet on Friday evening at the home of Mrs. Ira Eells on Thompson avenue. Most of the time at this literary meeting will be devoted to discussions on the themes, "The Geographical Influences of America" and "The Chautauquan." Mrs. R. E. Rayman and Miss Mary Jackman will have literary essays at the meeting.

THE SALVATION ARMY HOLDS BIG MEETINGS

A Noble Work Being Carried on in This City By Maj. and Mrs. Bonnett.

The local branch of the Salvation Army is meeting with extraordinary success in its nine-day crusade, and under the direction of Major Bonnett and his estimable wife, the meetings will be productive of much good.

The services last evening were well attended and to the present 11 persons have come forward. Major Bonnett will give his famous lecture to-night on "Ten Years in South America." The gentleman was one of the first Salvation Army workers to enter the field in South America, and it was there he met and married his wife. He started the first War Cry there, and conducted the publication for several years.

Mrs. Bonnett is a soldier of wide experience, having received her early education in the work in Paris. She went to Argentine later, where she was a faithful worker in the cause for a number of years. The lady speaks French, Spanish and English fluently, and has found the accomplishments of great value in the work.

Major Bonnett and his assistants conduct midday meetings at the several potteries each day, and so far they have been very successful. Monday the meeting was held in the K. T. & K. pottery. Yesterday the service was conducted at Burford's and the Dresden and today a meeting will be held at the China works.

ADDITIONAL DUTIES FOR MR. CROSSLEY

Manager of Columbiana County Telephone Company Elected to Like Position at Youngstown.

W. F. Crossley, of Salem, who has been general manager of the Columbiana Telephone company for the past three years, having his headquarters at Salem, has been appointed general manager of the Youngstown Telephone company, in addition to his present duties. This is a big promotion and Mr. Crossley's many friends in this city will hasten to congratulate him.

Mr. Crossley has served with credit as the general manager of the Columbiana company and that he is to be entrusted with the affairs of the Youngstown company is a just recognition of his ability. He succeeds C. Y. McVey, who becomes assistant general manager of the Federal company, with headquarters in Cleveland.

For the present Mr. Crossley will continue to reside at Salem, but will eventually move to Youngstown. He will have two assistants, one at each of the two cities named, but he has not announced his appointments.

An Animal Story For Little Folks

The Adjutant Bird

Did you ever see an adjutant bird? Well, it is a peculiar looking bird that has been given its name on account of its military appearance.

I shall tell you a story of the adjutant bird. He felt so much like a soldier that he began to think that all the birds should become soldiers and go to the bird store and release the birds that were in captivity. Well, he paid a visit to all of his friends and urged them to join in this scheme, but none of them was in favor of it.

"It is of no use to try any such plan as that," they said to him. "We will

BUCKLED ON HIS SWORD AND STARTED OFF.

all be caught or killed. We cannot do any good by making any such attempt as you propose."

He talked and talked to them, but they would not believe that the idea was a good one.

"Well, then, I know what I will do," he cried boldly. "I will go alone and release all the birds that are kept in cages in the bird store and at private homes."

So he put on his uniform and buckled on his sword and started off, feeling that he was a very mighty fellow indeed.

Now there isn't very much more to my story except this: As soon as the bird store man saw him coming he got out a big net and threw it over the adjutant bird's head. Then he took off the bird's sword and pretty uniform and put him in a cage with his other birds. And not long after that the adjutant bird was sold to a lady, who hung him up in her parlor to show her friends what a fine creature he was.
